INSTRUCTIONS

An application to have the name of a candidate placed on the ballot for any general election may not be filed earlier than 30 days before the deadline prescribed by this code for filing the application. An application filed before that day is void. All fields **must** be completed unless specifically marked optional.

The general election filing deadline is 5:00 p.m. 78 days prior to election day for any uniform election date.

If you have questions about the application, please contact the Secretary of State's Elections Division at 800-252-8683.

NEPOTISM LAW

The candidate must sign this statement indicating his awareness of the nepotism law. The nepotism prohibitions of chapter 573, Government Code, are summarized below:

No officer may appoint, or vote for or confirm the appointment or employment of any person related within the second degree by affinity (marriage) or the third degree by consanguinity (blood) to himself, or to any other member of the governing body or court on which he serves when the compensation of that person is to be paid out of public funds or fees of office. However, nothing in the law prevents the appointment, voting for, or confirmation of anyone who has been continuously employed in the office or employment for the following period prior to the election or appointment of the officer or member related to the employee in the prohibited degree: six months, if the officer or member is elected at the general election for state and county officers.

No candidate may take action to influence an employee of the office to which the candidate is seeking election or an employee or officer of the governmental body to which the candidate is seeking election regarding the appointment or employment of a person related to the candidate in a prohibited degree as noted above. This prohibition does not apply to a candidate's actions with respect to a bona fide class or category of employees or prospective employees.

Examples of relatives within the third degree of consanguinity are as follows:

- (1) First degree: parent, child;
- (2) Second degree: brother, sister, grandparent, grandchild;
- (3) Third degree: great-grandparent, great-grandchild, uncle, aunt, nephew, niece.

These include relatives by blood, half-blood, and legal adoption. Examples of relatives within the second degree of affinity are as follows:

- (1) First degree: spouse, spouse's parent, son-in-law, daughter-in-law;
- (2) Second degree: brother's spouse, sister's spouse, spouse's brother, spouse's sister, spouse's grandparent.

Persons related by affinity (marriage) include spouses of relatives by consanguinity, and, if married, the spouse and the spouse's relatives by consanguinity. These examples are not all inclusive.

Sin embargo, la ley no prohíbe el nombramiento, el votar por o la confirmación de ninguna persona que haya trabajado en la oficina de manera continua o el empleo para el siguiente período antes de la elección o el nombramiento del funcionario o miembro emparentado con el empleado en el grado prohibido: seis meses, si el funcionario o miembro se elige en una elección general de funcionarios de estado y condado.

Ningún candidato podrá influir sobre un empleado relacionado al puesto oficial al cual el candidato aspira o un empleado o funcionario del cuerpo fiscal al cual el candidato aspira respecto del nombramiento o el empleo de un pariente del candidato en un grado prohibido según se indica arriba. Esta restricción no se dirige a las acciones de un candidato respecto de una clase o categoría de empleados o posibles empleados de buena fe.

Los ejemplos de parentesco en tercer grado por consanguinidad son los siguientes:

- (1) Primer grado: padre, madre, hijo(a);
- (2) Segundo grado: hermano(a), abuelo(a), nieto(a);
- (3) Tercer grado: bisabuelo(a), bisnieto(a), tío(a), sobrino(a).

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent's record and stated positions on issues.
- (2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.
- (3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.
- (4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.
- (5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.
- (6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.
- (7) I will immediately and publicly repudiate methods and tactics that may come from others that I have pledged not to use or condone. I shall take firm action against any subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.

APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE

GENERAL INSTRUCTIONS

These instructions are for the APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (Form CTA). Use Form CTA only for appointing your campaign treasurer. Use the AMENDMENT (Form ACTA) for changing information previously reported on Form CTA and for renewing your choice to report under the modified schedule. Note: Candidates for most judicial offices use Form JCTA to file a campaign treasurer appointment.

DUTIES OF A CANDIDATE OR OFFICEHOLDER

As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form and all candidate/officeholder reports of contributions, expenditures, and loans. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

QUALIFICATIONS OF CAMPAIGN TREASURER

A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision. Note: A candidate may appoint himself or herself as his or her own campaign treasurer.

DUTIES OF A CAMPAIGN TREASURER

State law does not impose any obligations on a candidate's campaign treasurer.

REQUIREMENT TO FILE BEFORE BEGINNING A CAMPAIGN

If you plan to run for a public office in Texas (except for a federal office), you must file this form when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;
- (B) the filing of an application for a place on the ballot;

- (C) the filing of an application for nomination by convention;
- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

Additionally, the law provides that you must file this form before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

If you are an officeholder, you may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. If you do not have a campaign treasurer appointment on file and you wish to accept *campaign* contributions or make *campaign* expenditures in connection with your office or for a different office, you must file this form before doing so. In such a case, a sworn report of contributions, expenditures, and loans will be due no later than the 15th day after filing this form.

WHERE TO FILE A CAMPAIGN TREASURER APPOINTMENT

The appropriate filing authority depends on the office sought or held.

a. Texas Ethics Commission. The Texas Ethics Commission (Commission) is the appropriate filing authority for the Secretary of State and for candidates for or holders of the following offices:

- Governor, Lieutenant Governor, Attorney General, Comptroller, Treasurer, Land Commissioner, Agriculture Commissioner, Railroad Commissioner.
- State Senator or State Representative.
- Supreme Court Justice, Court of Criminal Appeals Judge, and Court of Appeals Judge.*
- State Board of Education.

- A multi-county district judge* or multi-county district attorney.
- A single-county district judge.*
- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.
- A chair of the state executive committee of a political party with a nominee on the ballot in the most recent gubernatorial election.
- A county chair of a political party with a nominee on the ballot in the most recent gubernatorial election if the county has a population of 350,000 or more.

* Judicial candidates use FORM JCTA to appoint a campaign treasurer.

b. County Clerk. The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate local filing authority for a candidate for:

- A county office.
- A precinct office.
- A district office (except for multi-county district offices).
- An office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

c. Local Filing Authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer. Basically, any political subdivision that is authorized by the laws of this state to hold an election is considered a local filing authority. Examples are cities, school districts, and municipal utility districts.

FILING WITH A DIFFERENT AUTHORITY

If you have a campaign treasurer appointment on file with one authority, and you wish to accept campaign contributions or make or authorize campaign expenditures in connection with another office that would require filing with a different authority, you must file a new campaign treasurer appointment *and* a copy of your old campaign treasurer appointment (certified by the old authority) with the new filing authority before beginning your campaign. You should also provide written notice to the original filing authority that your future reports will be filed with another authority.

FORMING A POLITICAL COMMITTEE

As a candidate, you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA). You may also form a specific-purpose committee to support your candidacy. Remember that filing a campaign treasurer appointment for a political committee does not eliminate the requirement that a candidate file his or her own campaign treasurer appointment (FORM CTA) and the related reports.

NOTE: *See the Campaign Finance Guide for Political Committees for further information about specific-purpose committees.*

CHANGING A CAMPAIGN TREASURER

If you wish to change your campaign treasurer, simply file an amended campaign treasurer appointment (FORM ACTA). This will automatically terminate the outgoing campaign treasurer appointment.

AMENDING A CAMPAIGN TREASURER APPOINTMENT

If *any* of the information reported on the campaign treasurer appointment (FORM CTA) changes, file an AMENDMENT: APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM ACTA) to report the change.

REPORTING REQUIREMENT FOR CERTAIN OFFICEHOLDERS

If you are an officeholder who appoints a campaign treasurer after a period of not having one, you must file a report of contributions, expenditures, and loans no later than the 15th day after your appointment is effective. This requirement is not applicable if you are a candidate or an officeholder who is merely changing campaign treasurers.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT

You may terminate your campaign treasurer appointment at any time by:

- 1) filing a campaign treasurer appointment for a successor campaign treasurer, or
- 2) filing a final report.

Remember that you may not accept any campaign contributions or make or authorize any campaign expenditures without a campaign treasurer appointment on file. You may, however, accept officeholder contributions and make or authorize officeholder expenditures.

If your campaign treasurer quits, he or she must give written notice to both you and your filing authority. The termination will be effective on the date you receive the notice or on the date your filing authority receives the notice, whichever is later.

FILING A FINAL REPORT

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate. If you have surplus funds, or if you retain assets purchased with political funds, you will be required to file annual reports. (*See instructions for FORM C/OH - UC.*) If you are an officeholder at the time of filing a final report, you may be required to file semiannual reports of contributions, expenditures, and loans as an officeholder.

If you do not have an appointment of campaign treasurer on file, you may not accept *campaign* contributions or make *campaign* expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept *officeholder* contributions and make *officeholder* expenditures.

To file a final report, you must complete the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (FORM C/OH), check the “final” box on Page 1, Section 9, and complete and attach the DESIGNATION OF FINAL REPORT (FORM C/OH-FR).

ELECTRONIC FILING

All persons filing campaign finance reports with the Commission are required to file those reports electronically unless the person is entitled to claim an exemption. Please check the Commission’s website at <http://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirements.

GUIDES

All candidates should review the applicable Commission’s campaign finance guide. Guides are available on the Commission’s website at <http://www.ethics.state.tx.us>.

10. **CANDIDATE SIGNATURE:** Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.
 - The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
 - A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
 - A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
 - Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The degree of consanguinity is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. Examples: (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual's brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband's relatives as her husband has by

consanguinity. For example, a wife is related to her husband's grandmother in the second degree by affinity.

11. CANDIDATE NAME: Enter your name as you did on Page 1.

12. MODIFIED REPORTING DECLARATION: Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party and candidates for county chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$930 in political contributions or make more than \$930 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$930 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semiannual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$930 maximums apply to each election within the cycle. In other words, you are limited to \$930 in contributions and expenditures in connection with the primary, an additional \$930 in contributions and expenditures in connection with the general election, and an additional \$930 in contributions and expenditures in connection with a runoff.

EXCEEDING \$930 IN CONTRIBUTIONS OR EXPENDITURES. If you exceed \$930 in contributions or expenditures in connection with an election, you must file according to the regular filing schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$930 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use the AMENDMENT (FORM ACTA) to renew your option to file under the modified schedule for a different election year or election cycle.

For more information, see the Commission's campaign finance guide that applies to you.

(b) The authority shall inform each candidate or political committee that the candidate or committee may subscribe to and file the code with the authority and that subscription to the code is voluntary.

Sec. 258.004. TEXT OF CODE. The Code of Fair Campaign Practices reads as follows:

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

(1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent's record and stated positions on issues.

(2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.

(3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.

(4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at

creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.

(5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.

(6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.

(7) I will immediately and publicly repudiate methods and tactics that may come from others that I have pledged not to use or condone. I shall take firm action against any subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.

TEXAS ETHICS COMMISSION
2021 FILING SCHEDULE FOR REPORTS DUE IN CONNECTION WITH
ELECTIONS HELD ON UNIFORM ELECTION DATES

This is a filing schedule for reports to be filed in connection with elections held on uniform election dates in May and November. Examples of elections held on uniform election dates are elections for school board positions and city offices. The uniform election dates in 2021 are May 1 and November 2.

Candidates and officeholders must file semiannual reports (due on January 15, 2021, and July 15, 2021). In addition, a candidate who has an opponent on the ballot in an election held on a uniform election date must file two pre-election reports (unless the candidate has elected modified reporting).

The campaign treasurer of a political committee that is involved in an election held on a uniform election date must also file pre-election reports (unless the committee is a general-purpose political committee that files monthly or a specific-purpose political committee that files on the modified reporting schedule). This schedule sets out the due dates for pre-election reports in connection with elections on uniform election dates. Please consult the 2021 REGULAR FILING SCHEDULE FOR GENERAL-PURPOSE POLITICAL COMMITTEES (GPAC), COUNTY EXECUTIVE COMMITTEES (CEC), AND SPECIFIC-PURPOSE POLITICAL COMMITTEES (SPAC) for a complete listing of political committee deadlines.

Candidates for and officeholders in local offices regularly filled at the general election for state and county officers (the November election in even-numbered years) should use the 2021 FILING SCHEDULE FOR CANDIDATES AND OFFICEHOLDERS FILING WITH THE COUNTY CLERK OR ELECTIONS ADMINISTRATOR.

EXPLANATION OF THE FILING SCHEDULE CHART

COLUMN I: REPORT DUE DATE - This is the date by which the report must be filed. If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day. This schedule shows the extended deadline where applicable. A report transmitted to the Texas Ethics Commission over the Internet is considered timely filed if it is transmitted *by midnight, Central Time Zone, on the night of the filing deadline*. For most filing deadlines, a report filed on paper is considered timely filed if it is deposited with the U.S. Post Office or a common or contract carrier properly addressed with postage and handling charges prepaid, or hand-delivered to the filing authority by the filing deadline. **Pre-Election Reports:** A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered timely filed.

COLUMN II: TYPE OF REPORT (WHO FILES) - This column gives the report type and explains which reporting form to use and which filers are required to file the report.

COLUMN III: BEGINNING DATE OF PERIOD COVERED - This column sets out the beginning date of the time period covered by the report. Use the latest one of the applicable dates. The "date of campaign treasurer appointment" is the beginning date only for the *first* report filed after filing a campaign treasurer appointment. For officeholders recently appointed to an elective office, the beginning date for the first report will be the date the officeholder took office, provided that he or she was not already filing as an officeholder or candidate at the time of the appointment. (*NOTE:* If you are ever confused about the beginning date for a required report, remember this rule: **There should never be gaps between reporting periods and, generally, there should not be overlaps.**)

COLUMN IV: ENDING DATE OF PERIOD COVERED - This column sets out the ending date of the time period covered by the report. The report must include reportable activity occurring on the ending date.

Please consult the CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES or the CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES for further information.

POLITICAL ADVERTISING

What You Need to Know

The Texas Election Code requires certain disclosures and notices on political advertising. The law also prohibits certain types of misrepresentation in political advertising and campaign communications. This brochure explains what you need to know to insure that your political advertising and campaign communications comply with the law.

If you are not sure what the law requires, do the cautious thing. Use the political advertising disclosure statement whenever you think it might be necessary, and do not use any possibly misleading information in political advertising or a campaign communication. If you are using political advertising or campaign communications from a prior campaign, you should check to see if the law has changed since that campaign.

Candidates for federal office should check with the Federal Election Commission at (800) 424-9530 for information on federal political advertising laws.

NOTICE: This guide is intended only as a general overview of the disclosure statements that must appear on political advertising as required under [Chapter 255 of the Election Code](#), which is distinct from political reporting requirements under [Chapter 254 of the Election Code](#).

REQUIRED DISCLOSURE ON POLITICAL ADVERTISING

I. What Is Political Advertising?

The disclosure statement and notice requirements discussed in this section apply to “political advertising.” In the law, “political advertising” is a specifically defined term. Do not confuse this special term with your own common-sense understanding of advertising.

To figure out if a communication is political advertising, you must look at what it says and where it appears. If a communication fits in one of the categories listed in Part A (below) and if it fits in one of the categories listed in Part B (below), it is political advertising.

Part A. What Does It Say?

1. Political advertising includes communications supporting or opposing a candidate for nomination or election to either a public office or an office of a political party (including county and precinct chairs).
2. Political advertising includes communications supporting or opposing an officeholder, a political party, or a measure (a ballot proposition).

Part B. Where Does It Appear?

1. Political advertising includes communications that appear in pamphlets, circulars, fliers, billboards or other signs, bumper stickers, or similar forms of written communication.
2. Political advertising includes communications that are published in newspapers, magazines, or other periodicals in return for consideration.
3. Political advertising includes communications that are broadcast by radio or television in return for consideration.
4. Political advertising includes communications that appear on an Internet website.

II. When Is a Disclosure Statement Required?

The law provides that political advertising that contains express advocacy is required to include a disclosure statement. The person who causes the political advertising to be published, distributed, or broadcast is responsible for including the disclosure statement.

The law does not define the term “express advocacy.” However, the law does provide that political advertising is deemed to contain express advocacy if it is authorized by a candidate, an agent of a candidate, or a political committee filing campaign finance reports. Therefore, a disclosure statement is required any time a candidate, a candidate’s agent, or a political committee authorizes political advertising.

The precise language of political advertising authorized by someone other than a candidate, the candidate's agent, or a political committee will determine if the advertising contains express advocacy and is therefore required to include a disclosure statement. Generally, the question is whether the communication expressly advocates the election or defeat of an identified candidate, or expressly advocates the passage or defeat of a measure, such as a bond election. The inclusion of words such as "vote for," "elect," "support," "defeat," "reject," or "Smith for Senate" would clearly constitute express advocacy, but express advocacy is not limited to communications that use those words. Similar phrases, such as "Cast your ballot for X," would also constitute express advocacy. Additionally, in 2007, the United States Supreme Court held that an advertisement included express advocacy or its functional equivalent "if the ad is susceptible to no reasonable interpretation other than as an appeal to vote for or against a specific candidate." *FEC v. Wis. Right to Life, Inc.*, 551 U.S. 449 (2007). It is a question of fact whether a particular communication constitutes express advocacy. If you are not sure whether political advertising contains express advocacy, do the cautious thing and include the disclosure statement. That way, there is no need to worry about whether you have violated the law.

Remember: The concept of "express advocacy" is relevant in determining whether political advertising is required to include a disclosure statement. However, the political advertising laws governing the right-of-way notice, misrepresentation, and use of public funds by political subdivisions will apply to political advertising regardless of whether the advertising contains express advocacy.

III. What Should the Disclosure Statement Say?

A disclosure statement must include the following:

1. the words "political advertising" or a recognizable abbreviation such as "pol. adv."; and
2. the full name of one of the following: (a) the person who paid for the political advertising; (b) the political committee authorizing the political advertising; or (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate.

The disclosure statement must appear on the face of the political advertising or be clearly spoken if the political advertising is audio only and does not include written text.

The advertising should not be attributed to entities such as "Committee to Elect John Doe" unless a specific-purpose committee named "Committee to Elect John Doe" has filed a campaign treasurer appointment with the Ethics Commission or a local filing authority.

IV. Are There Any Exceptions to the Disclosure Statement Requirement?

The following types of political advertising do not need the disclosure statement:

1. t-shirts, balloons, buttons, emery boards, hats, lapel stickers, small magnets, pencils, pens, pins, wooden nickels, candy wrappers, and similar materials;
2. invitations or tickets to political fundraising events or to events held to establish support for a candidate or officeholder;

3. an envelope that is used to transmit political advertising, provided that the political advertising in the envelope includes the disclosure statement;
4. circulars or fliers that cost in the aggregate less than \$500 to publish and distribute;
5. political advertising printed on letterhead stationery, if the letterhead includes the name of one of the following: (a) the person who paid for the advertising, (b) the political committee authorizing the advertising, or, (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate. (Note: There is also an exception for holiday greeting cards sent by an officeholder, provided that the officeholder's name and address appear on the card or the envelope.)
6. postings or re-postings on an Internet website if the person posting or re-posting is not an officeholder, candidate, or political committee and did not make an expenditure exceeding \$100 in a reporting period for political advertising beyond the basic cost of hardware messaging software and bandwidth;
7. an Internet social media profile webpage of a candidate or officeholder, if the webpage clearly and conspicuously displays the full name of the candidate or officeholder; and
8. postings or re-postings on an Internet website if the advertising is posted with a link to a publicly viewable Internet webpage that either contains the disclosure statement or is an Internet social media profile webpage of a candidate or officeholder that clearly and conspicuously displays the candidate's or officeholder's full name.

V. What Should I Do If I Discover That My Political Advertising Does Not Contain a Disclosure Statement?

The law prohibits a person from using, causing or permitting to be used, or continuing to use political advertising containing express advocacy if the person knows it does not include the disclosure statement. A person is presumed to know that the use is prohibited if the Texas Ethics Commission notifies the person in writing that the use is prohibited. If you receive notice from the Texas Ethics Commission that your political advertising does not comply with the law, you should stop using it immediately.

If you learn that a political advertising sign designed to be seen from the road does not contain a disclosure statement or contains an inaccurate disclosure statement, you should make a good faith attempt to remove or correct those signs that have been distributed. You are not required to attempt to recover other types of political advertising that have been distributed with a missing or inaccurate disclosure statement.

VI. The Fair Campaign Practices Act.

The [Fair Campaign Practices Act](#) sets out basic rules of decency, honesty, and fair play to be followed by candidates and political committees during a campaign. A candidate or political committee may choose to subscribe to the voluntary code by signing a copy of the code and filing it with the authority with whom the candidate or committee is required to file its campaign

treasurer appointment. A person subscribing to the code may indicate that fact on political advertising by including the following or a substantially similar statement:

(Name of the candidate or political committee, as appropriate) subscribes to the Code of Fair Campaign Practices.

VII. Special Notice to Political Subdivisions and School Districts.

You may not use public funds or resources for political advertising. Please see our “Publications and Guides” section of our website for more information.

ROAD SIGNS

I. When Is the “Right-Of-Way” Notice Required?

All written political advertising that is meant to be seen from a road must carry a “right-of-way” notice. It is a criminal offense to omit the “right-of-way” notice in the following circumstances:

1. if you enter into a contract or agreement to print or make written political advertising meant to be seen from a road; or
2. if you instruct another person to place the written political advertising meant to be seen from a road.

II. What Should the “Right-Of-Way” Notice Say?

Section 259.001 of the Texas Election Code prescribes the exact language of the notice:

NOTICE: IT IS A VIOLATION OF STATE LAW (CHAPTERS 392 AND 393, TRANSPORTATION CODE) TO PLACE THIS SIGN IN THE RIGHT-OF-WAY OF A HIGHWAY.

III. Do Yard Signs Have to Have the “Right-Of-Way” Notice?

Yes. The “right-of-way” notice requirement applies to signs meant to be seen from any road. The notice requirement assures that a person responsible for placing signs is aware of the restriction on placing the sign in the right-of-way of a highway.

IV. What About Bumper Stickers?

Bumper stickers do not need the “right-of-way” notice. They do, however, need a political advertising disclosure statement.

V. Where May I Place My Signs and How Long May Signs Be Posted?

For information about exactly where you may or may not place signs, or for information regarding the length of time your signs may be posted, check with your city or county government or your homeowner’s association. The Texas Ethics Commission does not have

jurisdiction over matters involving the location of signs, and the length of time that they may be posted.

MISREPRESENTATION

I. Are There Restrictions on the Contents of Political Advertising?

Political advertising and campaign communications may not misrepresent a person’s identity or official title, nor may they misrepresent the true source of the advertising or communication. The election law does not address other types of misrepresentation in political advertising or campaign communications.

Note that the misrepresentation rules apply to both political advertising and campaign communications. “Campaign communication” is a broader term than “political advertising.”

A “campaign communication” means “a written or oral communication relating to a campaign for nomination or election to public office or office of a political party or to a campaign on a measure.”

II. Misrepresentation of Office Title.

A candidate may not represent that he or she holds an office that he or she does not hold at the time of the representation. **If you are not the incumbent in the office you are seeking, you must make it clear that you are seeking election rather than reelection by using the word “for” to clarify that you don’t hold that office.** The word “for” must be at least one-half the type size as the name of the office and should appear immediately before the name of the office. For example, a non-incumbent may use the following formats:

**Vote John Doe
for Attorney General**

**John Doe
For
Attorney General**

A non-incumbent may not be allowed to use the following verbiage:

**Elect John Doe
Attorney General**

**John Doe
Attorney General**

III. Misrepresentation of Identity or Source.

A person violates the law if, with intent to injure a candidate or influence the result of an election, the person misrepresents the source of political advertising or a campaign communication or if the person misrepresents his or her own identity or the identity of his or her agent in political advertising or in a campaign communication. (If someone else is doing something for you, that person is your agent.) For example, you may not take out an ad in favor of your opponent that purports to be sponsored by a notoriously unpopular group.

IV. Use of State Seal.

Only current officeholders may use the state seal in political advertising.

V. Criminal Offenses.

Be aware that many violations of the Election Code are criminal offenses. For example, unlawfully using public funds for political advertising can be a Class A misdemeanor. So can misrepresenting one's identity or office title in political advertising. For more details on these offenses and political advertising in general, see [Chapter 255 of the Election Code](#).

POLITICAL ADVERTISING

WHAT YOU NEED TO KNOW

The Texas Election Law requires certain disclosures and notices on political advertising. The law also prohibits certain types of misrepresentation in political advertising and campaign communications. This brochure explains what you need to know to insure that your political advertising and campaign communications comply with the law.

If you are not sure what the law requires, do the cautious thing. Use the political advertising disclosure statement whenever you think it might be necessary, and do not use any possibly misleading information in political advertising or a campaign communication. If you are using political advertising or campaign communications from a prior campaign, you should check to see if the law has changed since that campaign.

Candidates for federal office should check with the Federal Election Commission at (800) 424-9530 for information on federal political advertising laws.

NOTICE: This guide is intended only as a general overview of the disclosure statements that must appear on political advertising as required under Chapter 255 of the Election Code, which is distinct from political reporting requirements under Chapter 254 of the Election Code.

REQUIRED DISCLOSURE ON POLITICAL ADVERTISING

I. What Is Political Advertising?

The disclosure statement and notice requirements discussed in this section apply to “political advertising.” In the law, “political advertising” is a specifically defined term. Do not confuse this special term with your own common-sense understanding of advertising.

To figure out if a communication is political advertising, you must look at what it says and where it appears. If a communication fits in one of the categories listed in Part A (below) and if it fits in one of the categories listed in Part B (below), it is political advertising.

Part A. What Does It Say?

1. Political advertising includes communications supporting or opposing a candidate for nomination or election to either a public office or an office of a political party (including county and precinct chairs).
2. Political advertising includes communications supporting or opposing an officeholder, a political party, or a measure (a ballot proposition).

Part B. Where Does It Appear?

1. Political advertising includes communications that appear in pamphlets, circulars, fliers, billboards or other signs, bumper stickers, or similar forms of written communication.
2. Political advertising includes communications that are published in newspapers, magazines, or other periodicals in return for consideration.
3. Political advertising includes communications that are broadcast by radio or television in return for consideration.
4. Political advertising includes communications that appear on an Internet website.

II. When Is A Disclosure Statement Required?

The law provides that political advertising that contains express advocacy is required to include a disclosure statement. The person who causes the political advertising to be published, distributed, or broadcast is responsible for including the disclosure statement.

The law does not define the term “express advocacy.” However, the law does provide that political advertising is deemed to contain express advocacy if it is authorized by a candidate, an agent of a candidate, or a political committee filing campaign finance reports. Therefore, a disclosure statement is required any time a candidate, a candidate’s agent, or a political committee authorizes political advertising.

The precise language of political advertising authorized by someone other than a candidate, the candidate’s agent, or a political committee will determine if the advertising contains express advocacy and is therefore required to include a disclosure statement.

Generally, the question is whether the communication expressly advocates the election or defeat of an identified candidate, or expressly advocates the passage or defeat of a measure, such as a bond election. The inclusion of words such as “vote for,” “elect,” “support,” “defeat,” “reject,” or “Smith for Senate” would clearly constitute express advocacy, but express advocacy is not limited to communications that use those words. Similar phrases, such as “Cast your ballot for X,” would also constitute express advocacy. Additionally, in 2007, the United States Supreme Court held that an advertisement included express advocacy or its functional equivalent “if the ad is susceptible to no reasonable interpretation other than as an appeal to vote for or against a specific candidate.” *FEC v. Wisconsin Right to Life, Inc.*, 127 S.Ct. 2652 (2007). It is a question of fact whether a particular communication constitutes express advocacy. If you are not sure whether political advertising contains express advocacy, do the cautious thing and include the disclosure statement. That way there is no need to worry about whether you have violated the law.

Remember: The concept of “express advocacy” is relevant in determining whether political advertising is required to include a disclosure statement. However, the political advertising laws governing the right-of-way notice, misrepresentation, and use of public funds by political subdivisions will apply to political advertising regardless of whether the advertising contains express advocacy.

III. What Should The Disclosure Statement Say?

A disclosure statement must include the following:

1. the words “political advertising” or a recognizable abbreviation such as “pol. adv.”; and
1. the full name of one of the following: (a) the person who paid for the political advertising; (b) the political committee authorizing the political advertising; or (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate.

The disclosure statement must appear on the face of the political advertising or be clearly spoken if the political advertising does not include written text.

The advertising should not be attributed to entities such as “Committee to Elect John Doe” unless a specific-purpose committee named “Committee to Elect John Doe” has filed a campaign treasurer appointment with the Ethics Commission or a local filing authority.

IV. Are There Any Exceptions To The Disclosure Statement Requirement?

The following types of political advertising do not need the disclosure statement:

1. t-shirts, balloons, buttons, emery boards, hats, lapel stickers, small magnets, pencils, pens, pins, wooden nickels, candy wrappers, and similar materials;
2. invitations or tickets to political fundraising events or to events held to establish support for a candidate or officeholder;
3. an envelope that is used to transmit political advertising, provided that the political advertising in the envelope includes the disclosure statement;

4. circulars or fliers that cost in the aggregate less than \$500 to publish and distribute; and
5. political advertising printed on letterhead stationery, if the letterhead includes the name of one of the following: (a) the person who paid for the advertising, (b) the political committee authorizing the advertising, or, (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate. (Note: There is also an exception for holiday greeting cards sent by an officeholder, provided that the officeholder's name and address appear on the card or the envelope.)

V. What Should I Do If I Discover That My Political Advertising Does Not Contain A Disclosure Statement?

The law prohibits a person from using, causing or permitting to be used, or continuing to use political advertising containing express advocacy if the person knows it does not include the disclosure statement. A person is presumed to know that the use is prohibited if the Texas Ethics Commission notifies the person in writing that the use is prohibited. If you receive notice from the Texas Ethics Commission that your political advertising does not comply with the law, you should stop using it immediately.

If you learn that a political advertising sign designed to be seen from the road does not contain a disclosure statement or contains an inaccurate disclosure statement, you should make a good faith attempt to remove or correct those signs that have been distributed. You are not required to attempt to recover other types of political advertising that have been distributed with a missing or inaccurate disclosure statement.

VI. The Fair Campaign Practices Act.

The Fair Campaign Practices Act sets out basic rules of decency, honesty, and fair play to be followed by candidates and political committees during a campaign. A candidate or political committee may choose to subscribe to the voluntary code by signing a copy of the code and filing it with the authority with whom the candidate or committee is required to file its campaign treasurer appointment.

A person subscribing to the code may indicate that fact on political advertising by including the following or a substantially similar statement:

(Name of the candidate or political committee, as appropriate) subscribes to the Code of Fair Campaign Practices.

VII. Special Rule For Judicial Candidates, Officeholders, and Committees.

Candidates for the Supreme Court, Court of Criminal Appeals, courts of appeals, district courts, statutory county courts (county courts-at-law), and statutory probate courts are required to file a form declaring their intent to either comply with or exceed the voluntary expenditure limits of the Judicial Campaign Fairness Act.

A candidate who has declared an intent to comply with the expenditure limits, as well as a specific-purpose committee supporting such a candidate, may state the following in political advertising:

Political advertising paid for by (name of candidate or committee) in compliance with the voluntary limits of the Judicial Campaign Fairness Act.

If a candidate declares an intent to exceed the expenditure limits, however, both the candidate and any specific-purpose committee supporting the candidate must include in their political advertising the following statement:

Political advertising paid for by (name of candidate or committee), (who or which) has rejected the voluntary limits of the Judicial Campaign Fairness Act.

ROAD SIGNS

I. When Is The “Right-Of-Way” Notice Required?

All written political advertising that is meant to be seen from a road must carry a “right-of-way” notice. It is a criminal offense to omit the “right-of-way” notice in the following circumstances:

1. if you enter into a contract or agreement to print or make written political advertising meant to be seen from a road; or
2. If you instruct another person to place the written political advertising meant to be seen from a road.

II. What Should The “Right-Of-Way” Notice Say?

Section 255.007 of the Texas Election Code prescribes the exact language of the notice:

NOTICE: IT IS A VIOLATION OF STATE LAW (CHAPTERS 392 AND 393, TRANSPORTATION CODE) TO PLACE THIS SIGN IN THE RIGHT-OF-WAY OF A HIGHWAY.

III. Do Yard Signs Have To Have The “Right-Of-Way” Notice?

Yes. The “right-of-way” notice requirement applies to signs meant to be seen from any road. The notice requirement assures that a person responsible for placing signs is aware of the restriction on placing the sign in the right-of-way of a highway.

IV. What About Bumper Stickers?

Bumper stickers do not need the “right-of-way” notice. They do, however, need a political advertising disclosure statement.

V. Where May I Place My Signs And How Long May Signs Be Posted?

For information about exactly where you may or may not place signs, or for information regarding the length of time your signs may be posted, check with your city or county government and with the Texas Department of Transportation at (512) 416-2901.

MISREPRESENTATION

I. Are There Restrictions On The Contents Of Political Advertising?

Political advertising and campaign communications may not misrepresent a person's identity or official title, nor may they misrepresent the true source of the advertising or communication. The election law does not address other types of misrepresentation in political advertising or campaign communications.

Note that the misrepresentation rules apply to both political advertising and campaign communications. “Campaign communication” is a broader term than “political advertising.”

A “campaign communication” means “a written or oral communication relating to a campaign for nomination or election to public office or office of a political party or to a campaign on a measure.”

II. Misrepresentation Of Office Title.

A candidate may not represent that he or she holds an office that he or she does not hold at the time of the representation. **If you are not the incumbent in the office you are seeking, you must make it clear that you are seeking election rather than reelection by using the word “for” to clarify that you don't hold that office.** The word “for” must be at least one-half the type size as the name of the office and should appear immediately before the name of the office. For example, a non-incumbent may use the following formats:

III. Misrepresentation Of Identity Or Source.

A person violates the law if, with intent to injure a candidate or influence the result of an election, the person misrepresents the source of political advertising or a campaign communication or if the person misrepresents his or her own identity or the identity of his or her agent in political advertising or in a campaign communication. (If someone else is doing something for you, that person is your agent.) For example, you may not take out an ad in favor of your opponent that purports to be sponsored by a notoriously unpopular group.

IV. Use Of State Seal.

Only officeholders may use the state seal in political advertising.

- (3) "Benefit" means anything reasonably regarded as pecuniary gain or pecuniary advantage, including benefit to any other person in whose welfare the beneficiary has a direct and substantial interest.
- (4) "Vote" means to cast a ballot in an election regulated by law.

Sec. 36.02. BRIBERY.

(a) A person commits an offense if he intentionally or knowingly offers, confers, or agrees to confer on another, or solicits, accepts, or agrees to accept from another:

- (1) any benefit as consideration for the recipient's decision, opinion, recommendation, vote, or other exercise of discretion as a public servant, party official, or voter;
- (2) any benefit as consideration for the recipient's decision, vote, recommendation, or other exercise of official discretion in a judicial or administrative proceeding;
- (3) any benefit as consideration for a violation of a duty imposed by law on a public servant or party official; or
- (4) any benefit that is a political contribution as defined by Title 15, Election Code, or that is an expenditure made and reported in accordance with Chapter 305, Government Code, if the benefit was offered, conferred, solicited, accepted, or agreed to pursuant to an express agreement to take or withhold a specific exercise of official discretion if such exercise of official discretion would not have been taken or withheld but for the benefit; notwithstanding any rule of evidence or jury instruction allowing factual inferences in the absence of certain evidence, direct evidence of the express agreement shall be required in any prosecution under this subdivision.

(b) It is no defense to prosecution under this section that a person whom the actor sought to influence was not qualified to act in the desired way whether because he had not yet assumed office or he lacked jurisdiction or for any other reason.

(c) It is no defense to prosecution under this section that the benefit is not offered or conferred or that the benefit is not solicited or accepted until after:

- (1) the decision, opinion, recommendation, vote, or other exercise of discretion has occurred; or
- (2) the public servant ceases to be a public servant.

(d) It is an exception to the application of Subdivisions (1), (2), and (3) of Subsection (a) that the benefit is a political contribution as defined by Title 15, Election Code, or an expenditure made and reported in accordance with Chapter 305, Government Code.

(e) An offense under this section is a felony of the second degree.

Sec. 36.03. COERCION OF PUBLIC SERVANT OR VOTER.

(a) A person commits an offense if by means of coercion he:

(1) influences or attempts to influence a public servant in a specific exercise of his official power or a specific performance of his official duty or influences or attempts to influence a public servant to violate the public servant's known legal duty; or

(2) influences or attempts to influence a voter not to vote or to vote in a particular manner.

(b) An offense under this section is a Class A misdemeanor unless the coercion is a threat to commit a felony, in which event it is a felony of the third degree.

(c) It is an exception to the application of Subsection (a)(1) of this section that the person who influences or attempts to influence the public servant is a member of the governing body of a governmental entity, and that the action that influences or attempts to influence the public servant is an official action taken by the member of the governing body. For the purposes of this subsection, the term "official action" includes deliberations by the governing body of a governmental entity.

Sec. 36.04. IMPROPER INFLUENCE.

(a) A person commits an offense if he privately addresses a representation, entreaty, argument, or other communication to any public servant who exercises or will exercise official discretion in an adjudicatory proceeding with an intent to influence the outcome of the proceeding on the basis of considerations other than those authorized by law.

(b) For purposes of this section, "adjudicatory proceeding" means any proceeding before a court or any other agency of government in which the legal rights, powers, duties, or privileges of specified parties are determined.

(c) An offense under this section is a Class A misdemeanor.

Sec. 36.05. TAMPERING WITH WITNESS.

(1) to testify falsely;

(2) to withhold any testimony, information, document, or thing;

(3) to elude legal process summoning him to testify or supply evidence;

(4) to absent himself from an official proceeding to which he has been legally summoned; or

(5) to abstain from, discontinue, or delay the prosecution of another.

(b) A witness or prospective witness in an official proceeding commits an offense if he knowingly solicits, accepts, or agrees to accept any benefit on the representation or understanding that he will do any of the things specified in Subsection (a).

(c) It is a defense to prosecution under Subsection (a)(5) that the benefit received was:

(1) reasonable restitution for damages suffered by the complaining witness as a result of the offense; and

(2) a result of an agreement negotiated with the assistance or acquiescence of an attorney for the state who represented the state in the case.

(d) An offense under this section is a felony of the third degree, except that if the official proceeding is part of the prosecution of a criminal case, an offense under this section is the same category of offense as the most serious offense charged in that criminal case.

(e) Notwithstanding Subsection (d), if the most serious offense charged is a capital felony, an offense under this section is a felony of the first degree.

(e-1) Notwithstanding Subsection (d), if the underlying official proceeding involves family violence, as defined by Section 71.004, Family Code, an offense under this section is the greater of:

- (1) a felony of the third degree; or
- (2) the most serious offense charged in the criminal case.

(e-2) Notwithstanding Subsections (d) and (e-1), if the underlying official proceeding involves family violence, as defined by Section 71.004, Family Code, and it is shown at the trial of the offense that the defendant has previously been convicted of an offense involving family violence under the laws of this state or another state, an offense under this section is the greater of:

- (1) a felony of the second degree; or
- (2) the most serious offense charged in the criminal case.

(e-3) For purposes of Subsection (a), a person is considered to coerce a witness or prospective witness if the person commits an act of family violence as defined by Section 71.004, Family Code, that is perpetrated, in part, with the intent to cause the witness's or prospective witness's unavailability or failure to comply and the offense is punishable under Subsection (e-1) or (e-2), as applicable.

(f) If conduct that constitutes an offense under this section also constitutes an offense under any other law, the actor may be prosecuted under this section, the other law, or both.

Sec. 36.06. OBSTRUCTION OR RETALIATION.

(a) A person commits an offense if the person intentionally or knowingly harms or threatens to harm another by an unlawful act:

- (1) in retaliation for or on account of the service or status of another as a:
 - (A) public servant, witness, prospective witness, or informant; or
 - (B) person who has reported or who the actor knows intends to report the occurrence of a crime; or
- (2) to prevent or delay the service of another as a:
 - (A) public servant, witness, prospective witness, or informant; or
 - (B) person who has reported or who the actor knows intends to report the occurrence of a crime.

(a-1) A person commits an offense if the person posts on a publicly accessible website the residence address or telephone number of an individual the actor knows is a public servant or a member of a public servant's family or household with the intent to cause harm or a threat of harm to the individual or a member of the individual's family or household in retaliation for or on account of the service or status of the individual as a public servant.

(b) In this section:

- (1) "Honorably retired peace officer" means a peace officer who:
 - (A) did not retire in lieu of any disciplinary action;

(B) was eligible to retire from a law enforcement agency or was ineligible to retire only as a result of an injury received in the course of the officer's employment with the agency; and

(C) is entitled to receive a pension or annuity for service as a law enforcement officer or is not entitled to receive a pension or annuity only because the law enforcement agency that employed the officer does not offer a pension or annuity to its employees.

(2) "Informant" means a person who has communicated information to the government in connection with any governmental function.

(3) "Public servant" has the meaning assigned by Section 1.07, except that the term also includes an honorably retired peace officer.

(c) An offense under this section is a felony of the third degree, except that the offense is a felony of the second degree if:

(1) the victim of the offense was harmed or threatened because of the victim's service or status as a juror; or

(2) the actor's conduct is described by Subsection (a-1) and results in the bodily injury of a public servant or a member of a public servant's family or household.

(d) For purposes of Subsection (a-1), it is prima facie evidence of the intent to cause harm or a threat of harm to an individual the person knows is a public servant or a member of a public servant's family or household if the actor:

(1) receives a written demand from the individual to not disclose the address or telephone number for reasons of safety; and

(2) either:

(A) fails to remove the address or telephone number from the publicly accessible website within a period of 48 hours after receiving the demand; or

(B) reposts the address or telephone number on the same or a different publicly accessible website, or makes the information publicly available through another medium, within a period of four years after receiving the demand, regardless of whether the individual is no longer a public servant.

Sec. 36.07. ACCEPTANCE OF HONORARIUM.

(a) A public servant commits an offense if the public servant solicits, accepts, or agrees to accept an honorarium in consideration for services that the public servant would not have been requested to provide but for the public servant's official position or duties.

(b) This section does not prohibit a public servant from accepting transportation and lodging expenses in connection with a conference or similar event in which the public servant renders services, such as addressing an audience or engaging in a seminar, to the extent that those services are more than merely perfunctory, or from accepting meals in connection with such an event.

(b-1) Transportation, lodging, and meals described by Subsection (b) are not political contributions as defined by Title 15, Election Code.

(c) An offense under this section is a Class A misdemeanor.

Sec. 36.08. GIFT TO PUBLIC SERVANT BY PERSON SUBJECT TO HIS JURISDICTION.

(a) A public servant in an agency performing regulatory functions or conducting inspections or investigations commits an offense if he solicits, accepts, or agrees to accept any benefit from a person the public servant knows to be subject to regulation, inspection, or investigation by the public servant or his agency.

(c) A public servant in an agency carrying on civil or criminal litigation on behalf of government commits an offense if he solicits, accepts, or agrees to accept any benefit from a person against whom the public servant knows litigation is pending or contemplated by the public servant or his agency.

(d) A public servant who exercises discretion in connection with contracts, purchases, payments, claims, or other pecuniary transactions of government commits an offense if he solicits, accepts, or agrees to accept any benefit from a person the public servant knows is interested in or likely to become interested in any contract, purchase, payment, claim, or transaction involving the exercise of his discretion.

(e) A public servant who has judicial or administrative authority, who is employed by or in a tribunal having judicial or administrative authority, or who participates in the enforcement of the tribunal's decision, commits an offense if he solicits, accepts, or agrees to accept any benefit from a person the public servant knows is interested in or likely to become interested in any matter before the public servant or tribunal.

(f) A member of the legislature, the governor, the lieutenant governor, or a person employed by a member of the legislature, the governor, the lieutenant governor, or an agency of the legislature commits an offense if he solicits, accepts, or agrees to accept any benefit from any person.

(g) A public servant who is a hearing examiner employed by an agency performing regulatory functions and who conducts hearings in contested cases commits an offense if the public servant solicits, accepts, or agrees to accept any benefit from any person who is appearing before the agency in a contested case, who is doing business with the agency, or who the public servant knows is interested in any matter before the public servant. The exception provided by Sec. 36.10(b) does not apply to a benefit under this subsection.

(h) An offense under this section is a Class A misdemeanor.

(i) A public servant who receives an unsolicited benefit that the public servant is prohibited from accepting under this section may donate the benefit to a governmental entity that has the authority to accept the gift or may donate the benefit to a recognized tax-exempt charitable organization formed for educational, religious, or scientific purposes.

Sec. 36.09. OFFERING GIFT TO PUBLIC SERVANT.

(a) A person commits an offense if he offers, confers, or agrees to confer any benefit on a public servant that he knows the public servant is prohibited by law from accepting.

(b) An offense under this section is a Class A misdemeanor.

Sec. 36.10. NON-APPLICABLE.

(a) Sections 36.08 (Gift to Public Servant) and 36.09 (Offering Gift to Public Servant) do not apply to:

(1) a fee prescribed by law to be received by a public servant or any other benefit to which the public servant is lawfully entitled or for which he gives legitimate consideration in a capacity other than as a public servant;

(2) a gift or other benefit conferred on account of kinship or a personal, professional, or business relationship independent of the official status of the recipient;

(3) a benefit to a public servant required to file a statement under Chapter 572, Government Code, or a report under Title 15, Election Code¹, that is derived from a function in honor or appreciation of the recipient if:

(A) the benefit and the source of any benefit in excess of \$50 is reported in the statement; and

(B) the benefit is used solely to defray the expenses that accrue in the performance of duties or activities in connection with the office which are nonreimbursable by the state or political subdivision;

(4) a political contribution as defined by Title 15, Election Code;

(5) a gift, award, or memento to a member of the legislative or executive branch that is required to be reported under Chapter 305, Government Code;

GUIDE TO A LOCAL FILING AUTHORITY'S DUTIES UNDER THE CAMPAIGN FINANCE LAW

This guide explains the responsibilities of local filing authorities (other than county filing authorities) under the Texas campaign finance law, which is set out in title 15 of the Election Code. The Texas Ethics Commission is responsible for interpreting title 15. Under title 15, the campaign finance filing authority for a political subdivision other than a county is the clerk or secretary of the political subdivision's governing body. If the political subdivision does not have a clerk or secretary, the filing authority is the presiding officer of the political subdivision's governing body. You may direct questions about title 15 to the Ethics Commission at (512) 463-5800. You should direct other questions about election law to the Secretary of State at (512) 463-5650 or (800) 252-8683.

Local filing authorities are not expected to be title 15 experts. The Ethics Commission has prepared two filing guides for local filing authorities to distribute to filers: a CAMPAIGN FINANCE GUIDE FOR LOCAL CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES and a CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES. For questions not answered in those guides or in the instructions to forms, filers should call the Ethics Commission. (If you are an elected officeholder, you need to understand your obligations as a *filer* in addition to your obligations as a filing authority.)

PART I. THE ROLE OF THE FILING AUTHORITY

WHAT IS TITLE 15 ABOUT?

The campaign finance law, title 15 of the Election Code, regulates the acceptance of, expenditure of, and reports regarding money in political campaigns by candidates, officeholders, and political committees. There are civil and criminal penalties for violations of title 15. **Title 15 has nothing to do with ballot access.** A violation of title 15 will not keep a person off the ballot nor will it invalidate an election.

WHAT ARE MY RESPONSIBILITIES UNDER THE CAMPAIGN FINANCE LAW?

Forms: You may print the various forms listed in this guide and the accompanying instructions from the Ethics Commission's website at <http://www.ethics.state.tx.us> on the Internet.

You are responsible for copying forms and making them available to filers. You may not charge filers for forms.

Filings: You are responsible for accepting documents that candidates, officeholders, and political committees file under title 15. Always remember to date-stamp a filing and to save postmarks and receipt marks on envelopes.

Code of Fair Campaign Practices: Under chapter 258 of the Election Code, which is known as the Fair Campaign Practices Act, you must provide the following documents to each candidate or political committee that files a campaign treasurer appointment with you: (1) a copy of the Fair

Campaign Practices Act and (2) a form on which the candidate or treasurer of the committee may subscribe to the Code of Fair Campaign Practices (FORM CFCP). The Ethics Commission makes these documents available. See “Forms” above. A candidate or committee treasurer may complete FORM CFCP and file it with you.

No Filing Fees: Section 251.003 of the Election Code states that you may not charge a filing fee for filings required by title 15.

Notices: You are not required to send filers notices to file.

Penalties: You have no responsibility for making sure that candidates, officeholders, or political committees file the required documents; nor do you have authority to penalize a filer for failure to submit a required filing. Filers should be aware, however, that there are penalties for violating title 15. See “Part V. Penalties” in this guide.

Public Access: Forms filed under title 15 are public records and must be made available for public inspection during regular business hours.

School Districts with a Student Enrollment of More Than 15,000 and Located Wholly or Partly in a Municipality with a Population of More Than 500,000. Beginning with campaign finance reports required to be filed on or after January 1, 2012, a school district that meets this enrollment and population criteria is required to post on the school district’s Internet website the reports filed by school board trustees, candidates for school board trustee, and specific-purpose committees that support, oppose, or assist a candidate for or member of the board of trustees in a school district. A report must be posted on the school district’s website not later than the fifth business day after the date the report is filed. Elec. Code § 254.04011.

Retention: You must keep a campaign treasurer appointment for two years *after the campaign treasurer appointment is terminated*. Also, if a candidate or committee treasurer files a form subscribing to the Code of Fair Campaign Practices, you must keep the form for the same period for which you keep the candidate’s or committee treasurer’s campaign treasurer appointment. You must keep other title 15 records for at least two years after filing. If a criminal investigation or proceeding is pending in regard to the election to which title 15 records pertain, you must keep the records until the investigation or proceeding is over. The Texas State Library and Archives Commission can provide general information about records retention and destruction. You may write the Library and Archives Commission at P.O. Box 12927, Austin, Texas 78711-2927. You may call the commission at (512) 463-5460.

Questions from Filers: You are not expected to be a title 15 expert. Filers will find answers to most of their questions either in the instructions to the forms or in the applicable Ethics Commission campaign finance guide. For further information filers may call the Ethics Commission.

WHO FILES WITH ME?

The following individuals and committees file with the filing authority for a political subdivision:

1. Candidates for and officeholders of elective offices of the political subdivision;
2. Specific-purpose committees supporting or opposing candidates for and officeholders of elective offices of the political subdivision; and
3. Specific-purpose committees supporting or opposing a measure to be submitted at an election ordered by an authority of the political subdivision. *See* “Part IV. Specific-Purpose Political Committees” in this guide.

NOTE: A specific-purpose committee that would be required to file with more than one local filing authority may instead file with the Ethics Commission.

WHAT FORMS DO I NEED TO MAKE AVAILABLE?

For most forms, there is a separate instruction guide. ***Remember:*** *always make the appropriate instruction guide available with a form!*

1. FORM CTA and FORM CTA Instruction Guide (Appointment of a Campaign Treasurer by a Candidate)

A person who takes action to gain nomination or election to a public office must file FORM CTA even if the person does not intend to accept campaign contributions or make campaign expenditures. Additionally, before a candidate may raise or spend money for his or her candidacy, the candidate must appoint a campaign treasurer by filing FORM CTA with the appropriate filing authority. For example, a candidate must file a campaign treasurer appointment before paying a filing fee.

2. FORM ACTA and FORM ACTA Instruction Guide (Amendment: Appointment of a Campaign Treasurer by a Candidate)

A candidate uses FORM ACTA to show changes in information on a campaign treasurer appointment.

3. FORM C/OH and FORM C/OH Instruction Guide (Candidate/Officeholder Campaign Finance Report)

Candidates and officeholders use FORM C/OH to file periodic reports of contributions and expenditures. A person who is both a candidate and an officeholder reports all activity on the same FORM C/OH.

4. FORM C/OH-FR and FORM C/OH Instruction Guide (C/OH Report: Designation of Final Report)

A candidate uses FORM C/OH-FR to file a final report when he or she does not intend to accept further campaign contributions or make further campaign expenditures. The Ethics Commission

makes FORM C/OH-FR available as the last page of FORM C/OH; thus the instructions for FORM C/OH-FR are included in the FORM C/OH Instruction Guide.

5. FORM C/OH-UC and FORM C/OH-UC Instruction Guide (Candidate/Officeholder Report of Unexpended Contributions)

Former candidates and officeholders use this form to report the disposition of unexpended contributions.

6. FORM STA and FORM STA Instruction Guide (Appointment of a Campaign Treasurer by a Specific-Purpose Committee)

A specific-purpose political committee uses FORM STA to appoint a campaign treasurer. Before a political committee may accept more than \$500 in political contributions or spend more than \$500 in political expenditures, the committee must appoint a campaign treasurer.

7. FORM ASTA and FORM ASTA Instruction Guide (Amendment: Appointment of a Campaign Treasurer by a Specific-Purpose Committee)

A specific-purpose political committee uses this form to show changes in information provided on a campaign treasurer appointment.

8. FORM SPAC and FORM SPAC Instruction Guide (Specific-Purpose Committee Campaign Finance Report)

The treasurer of a specific-purpose political committee uses this form to file periodic reports of contributions and expenditures.

9. FORM PAC-DR and FORM SPAC Instruction Guide (Political Committee Affidavit of Dissolution)

The treasurer of a political committee files FORM PAC-DR, along with a FORM SPAC designated as a dissolution report, to dissolve the committee. The Ethics Commission makes FORM PAC-DR available as the last page of FORM SPAC; thus the instructions for FORM PAC-DR are included in the FORM SPAC Instruction Guide.

10. FORM CFCP and copy of the Fair Campaign Practices Act

You must provide a copy of FORM CFCP and a copy of the Fair Campaign Practices Act (Election Code chapter 258) to each candidate or political committee that files a campaign treasurer appointment with you.

11. FORM PFS (Personal Financial Disclosure Statement)

Certain local officials are required to file personal financial disclosure statements with local filing authorities. *See* Local Gov't. Code chs. 145, 335; Educ. Code § 11.064; Water Code ch. 60, subch. O.

WHY IS IT SO IMPORTANT TO PROVIDE THE INSTRUCTIONS WITH THE FORMS?

The forms consist mainly of blank spaces. The instructions explain the reporting requirements in detail.

IS THERE OTHER INFORMATION I CAN MAKE AVAILABLE TO FILERS?

The Ethics Commission makes the following guides available for filing authorities to provide to filers.

1. Campaign Finance Guide for Candidates and Officeholders Who File With Local Filing Authorities.
2. Campaign Finance Guide for Political Committees.
3. Campaign Finance Guide for Judicial Candidates and Officeholders.
4. Schedules of Filing Dates.
5. A Guide to Political Advertising: What You Need To Know.
6. A Guide To The Prohibition Against Using Political Subdivision Resources for Political Advertising.

HOW DO I KNOW THE FILING DEADLINES?

Title 15 of the Election Code prescribes the filing deadlines for candidates, officeholders, and treasurers of political committees. Filing schedules are also posted on the Ethics Commission's website at <http://www.ethics.state.tx.us> on the Internet. The filing schedules set out the filing deadlines for semiannual reports and pre-election reports for elections held on uniform election dates. Some elections ordered by a political subdivision may be held on dates other than uniform election dates. The Ethics Commission cannot know in advance the dates of all possible elections called by political subdivisions. If an election arises that is not covered on the schedule, please call the Ethics Commission for assistance in calculating the due dates for pre-election reports.

Deadline on Weekend or Holiday. If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

5 p.m. Deadline. The deadline for filing a report is 5 p.m. on the due date.

Delivery by Mail or Other Carrier. For most reporting deadlines, a document is filed on time if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time by the deadline.

Pre-Election Reports. A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered filed on time.

WHY SHOULD I DATE-STAMP FILINGS AND SAVE POSTMARKS?

Reports are due by certain deadlines, and members of the public or a prosecutor may be interested in knowing whether a particular report was filed on time. A file stamp will show whether a hand-delivery was on time. For other filings, a postmark or receipt mark will show whether the filings were timely.

MAY FILERS USE COMPUTER PROGRAMS TO CREATE REPORTS?

The Ethics Commission makes available computer software for candidates and committee treasurers to use in generating reports required under title 15. Local filers may use the software to generate a report *on paper*, but must add the affidavit required to be used on reports filed on paper and must sign the affidavit. Local filers who have questions about the software should call the Ethics Commission directly.

PART II. CANDIDATES

WHAT MAKES SOMEONE A CANDIDATE?

Any action a person takes to seek nomination or election to public office makes the person a candidate for title 15 filing purposes. A candidate must file a campaign treasurer appointment even if the candidate does not intend to accept campaign contributions or make campaign expenditures. Once a person has filed a campaign treasurer appointment, he or she must file periodic reports of contributions and expenditures as a candidate. The obligation to file reports as a candidate lasts until the person files a final report.

Additionally, a person may not accept a campaign contribution or make a campaign expenditure (even from personal funds) without a campaign treasurer appointment on file.

HOW DOES A CANDIDATE APPOINT A CAMPAIGN TREASURER?

To appoint a campaign treasurer, a candidate files FORM CTA with the appropriate filing authority.

Qualifications of Campaign Treasurer. A candidate may appoint himself, a relative, a friend, or anyone else as campaign treasurer. Under a law that took effect on September 1, 2003, a person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee and has outstanding filing obligations.

Duties of a Candidate's Campaign Treasurer. A candidate's campaign treasurer has no official duties. The candidate, not the campaign treasurer, is required to sign reports. (The treasurer of a political committee is required to file reports for the committee.)

Effective Date of Appointment. If delivered by hand, a campaign treasurer appointment takes effect on the date of delivery. If delivered by mail or common carrier, a campaign treasurer appointment takes effect on the date of the postmark or receipt mark.

Transferring a Campaign Treasurer Appointment. A person who has a campaign treasurer appointment on file with you may wish to begin raising or spending money in connection with a campaign for an office that requires filing with a different filing authority. In that case, the candidate transfers his or her campaign treasurer appointment by filing a new FORM CTA with the new filing authority. The candidate must also attach a certified copy of the old campaign treasurer appointment. This procedure can affect you in two ways: (1) You may receive a FORM CTA with a certified copy of an old campaign treasurer appointment attached, or (2) you may be asked to provide a certified copy of a campaign treasurer appointment on file with you.

Candidate Who Files a Campaign Treasurer Appointment with a New Filing Authority. A candidate who has been filing with you may file a campaign treasurer appointment with a different filing authority. The candidate will need to file a certified copy of his or her political subdivision campaign treasurer appointment with the new filing authority. This ends the person's obligation to file with you *even if he or she continues to hold an office of your political subdivision.*

Example: Jane Doe, a city council member with a campaign treasurer appointment on file with the city secretary, decides to run for the state legislature. She files a campaign treasurer appointment with the Ethics Commission along with a certified copy of her city campaign treasurer appointment. She is no longer required to file title 15 reports with the city secretary. Nonetheless, she may wish to file duplicate copies of reports with the city secretary as long as she holds a city office.

Termination of a Campaign Treasurer Appointment. It is important for you to know the termination date of a campaign treasurer appointment because you must keep a campaign treasurer appointment for two years *after it is terminated.* A campaign treasurer appointment may be terminated by the candidate in three different ways: (1) the candidate files a final report; (2) the candidate appoints a new campaign treasurer; or (3) the campaign treasurer or the candidate notifies you that the appointment is terminated.

An "inactive" campaign treasurer appointment may be terminated by you if the governing body of your political subdivision adopts a process by ordinance or order allowing such termination. A candidate is inactive if the candidate: (1) has never filed or has ceased to file any required campaign finance reports, (2) has not been elected to an office which requires filing a campaign treasurer appointment with you, and (3) has not filed a final report. Before a campaign treasurer appointment may be terminated, the governing body of the political subdivision must consider the proposed termination in a regularly scheduled open meeting.

WHEN DOES A CANDIDATE HAVE TO FILE REPORTS?

Officeholder Who Files a Campaign Treasurer Appointment. An officeholder who files a campaign treasurer appointment *and who did not already have a campaign treasurer appointment on file* must file a report no later than 15 days after filing the campaign treasurer appointment. This

requirement does not apply when an officeholder simply *changes* campaign treasurers. After filing a campaign treasurer appointment and the “15-day” report, the candidate/officeholder files according to the filing schedule for candidates.

Exception. The “15-day” reporting requirement does not apply if the candidate/officeholder had no more than \$500 in contributions or expenditures during the period covered by the report.

Semiannual Reports. A candidate is required to file semiannual reports on January 15 and July 15 of each year on FORM C/OH. A person who is both a candidate and an officeholder (that is, an officeholder who has a campaign treasurer appointment on file) is not required to file two separate reports. Nor is a person required to distinguish between candidate activity and officeholder activity on the report.

No Exception. A person who has a campaign treasurer appointment on file must file semiannual reports, even for reporting periods during which there is no reportable activity and even if the person chose modified reporting.¹

Pre-Election Reports. An opposed candidate in an upcoming election must file pre-election reports. Pre-election reports are due 30 days and 8 days before an election.² A pre-election report must be *received* by the appropriate filing authority no later than the report due date.

An “opposed candidate” is a candidate who has an opponent whose name is printed on the ballot. Pre-election reports are not required if a candidate’s only opposition is a write-in candidate.³

Modified Reporting. An opposed candidate who selects “modified reporting” is not required to file pre-election reports (or runoff reports). **(The selection of modified reporting does not affect a candidate’s obligation to file semiannual reports.)** A candidate is eligible to select modified reporting if he or she does not intend to exceed \$500 in contributions or expenditures in connection with an election. (A candidate has separate \$500 thresholds for a primary, a runoff, and a general election.) A candidate selects modified reporting by signing the appropriate blank on FORM CTA or FORM ACTA.

A “modified filer” who exceeds one of the \$500 thresholds in connection with an election is subject to the regular filing requirements for opposed candidates. If a modified filer exceeds one of the thresholds before the due date for the “30-day” pre-election report, the filer is not required to give special notice; the filer is simply required to file the pre-election reports by the scheduled due dates. A modified filer who exceeds one of the thresholds after the due date for the “30-day” pre-election report must file a report within 48 hours of exceeding the threshold. If the candidate files the “48-hour” report before the due date for the “8-day” pre-election report, he or she must also file an “8-day” pre-election report by the regular due date for that report.

Many filers at the local level select modified reporting. To understand the rules that apply to modified filing, candidates should consult the Ethics Commission’s CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES.

Runoff Reports. A candidate in a runoff must file a runoff report. A runoff report is due no later than the eighth day before the runoff election and must be *received* by the appropriate filing authority no later than the report due date.

Modified Reporting. A candidate who has selected modified reporting and who remains eligible for modified reporting is not required to file a runoff report. (The selection of modified reporting does not affect a candidate's obligation to file semiannual reports.)

A candidate who has selected modified reporting has \$500 thresholds in connection with the main election and new \$500 thresholds in connection with a runoff.

Annual Reports of Unexpended Contributions. A person who files a final report is no longer a candidate for title 15 purposes. If the person has surplus funds or assets (and is not an officeholder), he or she must file annual reports of unexpended contributions.

Annual reports are due not earlier than January 1 and not later than January 15 of each year on FORM C/OH-UC. The obligation to file annual reports ends when the former candidate files a report of final disposition of unexpended contributions. Final disposition must be made within six years of filing a final report or leaving office, whichever is later.

Report of Final Disposition of Unexpended Contributions. After a former candidate disposes of all surplus funds and assets, he or she must file a report of final disposition of unexpended contributions, also on FORM C/OH-UC. The former candidate may file this report at any time during the year.

WHEN MAY A CANDIDATE STOP FILING TITLE 15 REPORTS?

Filing a final report⁴ ends a person's obligation to file title 15 reports unless (1) the filer has not yet filed past-due reports, (2) the person is an officeholder, or (3) the person has surplus funds at the time of filing a final report. An officeholder may be required to file title 15 reports as an officeholder. See "Part III. Officeholders. When Does An Officeholder Have To File Reports?" in this guide. A former candidate who is not an officeholder but who has surplus campaign funds must file annual reports of contributions and expenditures. See "Part II. Candidates. Annual Reports of Unexpended Contributions" above.

PART III. OFFICEHOLDERS

This section only applies to an officeholder who does not have a campaign treasurer appointment on file. Once an officeholder files a campaign treasurer appointment, he or she becomes a candidate for purposes of the title 15 filing requirements and must comply with the title 15 requirements applicable to candidates rather than the requirements applicable to officeholders. Note that only a person who has a campaign treasurer appointment on file may accept a campaign contribution or make a campaign expenditure (even from personal funds).⁵

WHAT DOES TITLE 15 HAVE TO DO WITH OFFICEHOLDERS?

Although title 15 is commonly referred to as the *campaign* finance law, it also requires officeholders who are not candidates (in other words, who do not have a campaign treasurer appointment on file) to file reports of officeholder contributions and expenditures.

WHEN DOES AN OFFICEHOLDER HAVE TO FILE REPORTS?

Semiannual Reports. An officeholder is required to file semiannual reports of officeholder contributions and expenditures on January 15 and July 15 of each year. For this report officeholders use FORM C/OH.

Exception for Certain Local Officeholders. There is an exception to the requirement to file semiannual reports for a local officeholder (who does not have a campaign treasurer appointment on file) who did not exceed \$500 in either contributions or expenditures during the reporting period. An officeholder who has a campaign treasurer appointment on file must file semiannual reports even if there is no reportable activity during the reporting period.

Report Required after Appointment of Campaign Treasurer. An officeholder who files an appointment of campaign treasurer (and who did not already have a campaign treasurer appointment on file) must file a report of contributions and expenditures no later than 15 days after filing the appointment, using FORM C/OH. After filing the campaign treasurer appointment and the “15-day” report, the officeholder is subject to the filing requirements applicable to candidates.

Exception. The “15-day” reporting requirement does not apply if the candidate/officeholder had no more than \$500 in contributions or expenditures during the period covered by the report.

Annual Report of Unexpended Contributions. A former officeholder who did not have a campaign treasurer appointment on file at the time of leaving office may be required to file annual reports of unexpended contributions. This requirement applies if the former officeholder retained surplus political funds or assets at the time of filing his or her last required report of contributions and expenditures. The former officeholder may not retain surplus political funds or assets for more than 6 years after leaving office.

Annual reports of unexpended contributions are due not earlier than January 1 and not later than January 15 of each year. The reports, on FORM C/OH-UC, cover the preceding calendar year. A report is due regardless of whether there is any reportable activity. The obligation to file annual reports ends when the former officeholder files a report of final disposition of unexpended contributions.

Report of Final Disposition of Unexpended Contributions. Once a former officeholder disposes of surplus funds and assets, he or she must file a report of final disposition of unexpended contributions. A former officeholder may file this report at any time during the year. For this report former officeholders use FORM C/OH-UC.

Officeholder Who Files a Campaign Treasurer Appointment with a Different Filing Authority.

An officeholder (who does not have a campaign treasurer appointment on file) may file a campaign treasurer appointment with a different filing authority. This ends the officeholder's obligation to file with you *even if he or she continues to hold an office of the political subdivision.*

PART IV. SPECIFIC-PURPOSE POLITICAL COMMITTEES

WHAT IS A POLITICAL COMMITTEE?

A political committee, commonly referred to as a "PAC," is any group that accepts political contributions or makes political expenditures. Although the term "PAC" may suggest a powerful "special interest" group, a political committee may also be a small group such as two people who get together to raise funds for an old friend who is a candidate for school board.

WHAT IS A SPECIFIC-PURPOSE POLITICAL COMMITTEE?

There are two main types of political committees: general-purpose political committees and specific-purpose political committees. In essence, a general-purpose political committee exists to support or promote a particular political point-of-view or the interests of a certain group, whereas a specific-purpose committee exists to support or oppose specific candidates, officeholders, or ballot measures. It is the filer's responsibility, not your responsibility, to determine whether a committee is a general-purpose committee or a specific-purpose committee. The Ethics Commission's Campaign Finance Guide for Political Committees explains the differences in detail.

WHAT POLITICAL COMMITTEES FILE WITH POLITICAL SUBDIVISIONS?

A specific-purpose committee files with the clerk, secretary, or presiding officer of a political subdivision other than a county if the committee supports or opposes either individual candidates or officeholders who file with the political subdivision or ballot measures on elections called by the political subdivision.⁶ All general-purpose political committees file with the Ethics Commission. It is the filer's responsibility to determine where a political committee files campaign finance reports. The Ethics Commission's Campaign Finance Guide for Political Committees will help filers make this determination.

Note for School Districts: Beginning on September 1, 2015, a specific-purpose committee created to support or oppose a measure on the issuance of bonds by a school district must file all of its *campaign finance reports* with the Ethics Commission. This does not affect the filing requirements for the committee's campaign treasurer appointment.

WHEN MUST A POLITICAL COMMITTEE FILE A CAMPAIGN TREASURER APPOINTMENT?

\$500 Thresholds. A specific-purpose committee must file a campaign treasurer appointment, on FORM STA, before it exceeds \$500 in either political contributions or political expenditures. Once

the committee has filed a campaign treasurer appointment, the treasurer must file periodic reports of contributions and expenditures.

Effective Date. If delivered by hand, a committee's campaign treasurer appointment takes effect on the day of delivery. If delivered by mail or common carrier, the appointment takes effect on the date of the postmark or receipt mark.

Termination of a Committee's Campaign Treasurer Appointment. It is important for you to know the termination date of a committee's campaign treasurer appointment because you must keep a campaign treasurer appointment for two years *after it is terminated*. A committee's campaign treasurer appointment may be terminated by the committee in three different ways: (1) the committee files a dissolution report; (2) the committee appoints a new campaign treasurer; or (3) you receive notification from the committee or the campaign treasurer that the appointment is terminated.

An "inactive" campaign treasurer appointment may be terminated by you if the governing body of your political subdivision adopts a process by ordinance or order allowing such termination. A political committee is inactive if the committee: (1) has never filed or has ceased to file any required campaign finance reports, and (2) has not filed a dissolution report. Before a campaign treasurer appointment may be terminated, the governing body of the political subdivision must consider the proposed termination in a regularly scheduled open meeting.

WHAT ARE THE RESPONSIBILITIES OF A COMMITTEE'S CAMPAIGN TREASURER?

The treasurer of a political committee is responsible for filing the committee's reports of contributions and expenditures. (In contrast, a candidate or officeholder, not his or her campaign treasurer, is responsible for filing candidate and officeholder reports of contributions and expenditures.)

HOW DOES A COMMITTEE CHANGE A CAMPAIGN TREASURER?

A specific-purpose committee changes treasurers by filing an amended appointment of campaign treasurer on FORM ASTA. The new appointment terminates the old appointment. The outgoing treasurer is required to file a termination report on FORM SPAC not later than 10 days after the termination. (A separate termination report is not required if the termination occurs on the last day of a reporting period and the proper report for that period is filed.)

WHAT IF A SPECIFIC-PURPOSE COMMITTEE BECOMES A GENERAL-PURPOSE COMMITTEE?

A change in political activity may mean that a political committee that has been filing with a local filing authority has become a general-purpose committee. This change will require the committee to file a new campaign treasurer appointment with the Ethics Commission. In addition to filing a new campaign treasurer appointment with the Ethics Commission, the committee is required to give notice to the local filing authority of the change in status. The committee should review the Ethics

Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES to become familiar with the contribution and expenditure limits that arise in connection with the transition.

WHEN DOES THE TREASURER OF A SPECIFIC-PURPOSE COMMITTEE HAVE TO FILE REPORTS?

Semiannual Reports. The treasurer of a specific-purpose committee is required to file semiannual reports by January 15 and July 15 of each year. The treasurer must file semiannual reports even if there is no reportable activity.

Pre-Election Reports. A specific-purpose committee supporting or opposing an opposed candidate in an upcoming election must file pre-election reports. A specific-purpose committee supporting or opposing a ballot measure must also file pre-election reports. Filers use FORM SPAC for pre-election reports, which are due 30 days and 8 days before an election.⁷ (If you are the filing authority for a school district, see the [Note under "What Political Committees File with Political Subdivisions?"](#) in this guide.) A pre-election report must be *received* by the appropriate filing authority no later than the report due date.

For purposes of filing pre-election reports, supporting or opposing a candidate or measure means accepting political contributions or making political expenditures to support or oppose the candidate or measure.

Modified Reporting. The treasurer of a specific-purpose committee that selects "modified reporting" is not required to file pre-election reports (or runoff reports). **(The selection of modified reporting does not affect the treasurer's obligation to file semiannual reports.)**

A committee may select modified reporting if the committee does not intend to exceed \$500 in contributions or expenditures in connection with an election. (A committee has separate \$500 thresholds for a primary, a runoff, and a general election.) A committee selects modified reporting by signing the appropriate blank on FORM STA or FORM ASTA.

A committee that has selected modified reporting must file pre-election reports if the committee exceeds one of the \$500 thresholds. If the committee exceeds one of the thresholds before the due date for a "30-day" pre-election report, the committee is not required to give special notice of that fact; the treasurer is simply required to file the pre-election reports by the scheduled due dates. If the committee exceeds one of the thresholds after the due date for the "30-day" pre-election report, the treasurer must file a report within 48 hours of exceeding the threshold (on FORM SPAC) and then file any pre-election or runoff reports that come due.

Runoff Reports. A specific-purpose committee that supports or opposes a candidate in a runoff election must file a runoff report on FORM SPAC. A runoff report is due no later than the 8th day before the runoff and must be *received* by the appropriate filing authority no later than the report due date.

Modified Reporting. A specific-purpose committee that has selected modified reporting and remains eligible for modified reporting is not required to file a runoff report.

A committee that has selected modified reporting has \$500 thresholds in connection with the main election and additional \$500 thresholds in connection with a runoff.

Termination Report. After the treasurer of a political committee resigns or is replaced, the outgoing treasurer is required to file a termination report on FORM SPAC not later than 10 days after the termination. (A separate termination report is not required if the termination occurs on the last day of a reporting period and the proper report for that period is filed.)

Dissolution Report. A political committee that expects to receive no further political contributions or make no further political expenditures may file a dissolution report on FORM SPAC with FORM PAC-DR attached.

The dissolution report terminates the committee's campaign treasurer appointment and relieves the campaign treasurer of the duty to file additional reports. (In this case, the dissolution report serves as the treasurer's termination report.)

PART V. PENALTIES

As a local filing authority, you have no authority to penalize filers in any way for violations of title 15. Any individual may file a criminal complaint regarding a violation of title 15 with the appropriate county or district attorney. Also, any Texas resident may file a sworn complaint with the Ethics Commission alleging a violation of title 15.

PART VI. FREQUENT QUESTIONS

If you have questions about your responsibilities as a filing authority, call the Ethics Commission. The following list contains questions that local filing authorities frequently ask.

Q. What title 15 documents should I give to a person who says he is interested in running for an office of my political subdivision?

A. In addition to information you provide about getting on the ballot, you should give the person a copy of the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES, FORM CTA and the FORM CTA Instruction Guide.

Q. What should I give to a person who files a campaign treasurer appointment?

A. The person, who is now a candidate for purposes of title 15, will need FORM C/OH and the FORM C/OH Instruction Guide and a Filing Schedule. You are required to give the person a copy of the 1997 Fair Campaign Practices Act, Chapter 258 of the Election Code, and a copy of FORM CFCP. You should also make sure that the person has a copy of the Ethics Commission's

CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES.

Q. What should I give someone who is interested in forming a political committee?

- A. A group that intends to accept political contributions or make political expenditures should get a copy of the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES, FORM STA and the FORM STA Instruction Guide. The group should read the filing guide to determine whether it is a specific-purpose or general-purpose committee.

Q. What should I give to someone who files a campaign treasurer appointment for a political committee?

- A. The treasurer of the political committee will need FORM SPAC and the FORM SPAC Instruction Guide. You are required to give the committee a copy of the 1997 Fair Campaign Practices Act, Chapter 258 of the Election Code, and a copy of FORM CFPC. The treasurer should also have a copy of the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES.

Q. What should I tell a write-in candidate who asks about title 15?

- A. A person who declares himself or herself to be a write-in candidate must file a campaign treasurer appointment and reports of contributions and expenditures.

Q. What do I tell a candidate who says he isn't going to file a campaign treasurer appointment because he is not going to accept campaign contributions?

- A. All candidates must file a campaign treasurer appointment even if a candidate does not intend to accept campaign contributions or make campaign expenditures. Also, the fact that a candidate doesn't accept campaign contributions does not mean that the candidate will have nothing to report. The candidate must report campaign expenditures from personal funds.

A candidate who does not plan to *spend* over \$500 or *accept* more than \$500 in *total contributions* in connection with an election should take the following steps:

1. The candidate should complete FORM CTA and sign the back for modified filing.
2. If a July 15 or January 15 deadline occurs before the election, the candidate must file a report of contributions and expenditures on FORM C/OH.
3. After the election, if the candidate does not intend to accept any further campaign contributions or make any further campaign expenditures (including payment of campaign debts), the candidate should file a report of contributions and expenditures on FORM C/OH and mark it as a Final Report in Box 9, page 1. The candidate should also complete FORM C/OH-FR and submit it along with FORM C/OH. The final report terminates the candidate's appointment of campaign treasurer and ends the person's obligation to file as a candidate. (If

the person won the election, he or she will be subject to the filing requirements applicable to officeholders.)

Q. May a candidate refuse to list the office or seat sought on a campaign treasurer appointment?

A. Yes. A person may decide to start raising money to run for office before the person decides which office to run for.

Q. What do I do if someone files a report after the filing deadline?

A. You should accept the filing.

Q. What do I do if someone files a corrected or amended filing?

A. You should accept the filing. A filer may also wish to file an Ethics Commission Affidavit of Good Faith with the amendment or correction. Filers should call the Ethics Commission if they have questions about corrected reports.

Q. What should I tell a candidate who asks about disclosures on political advertising?

A. Give the filer a copy of the Ethics Commission's GUIDE TO POLITICAL ADVERTISING: WHAT YOU NEED TO KNOW, and A GUIDE TO THE PROHIBITION AGAINST USING POLITICAL SUBDIVISION RESOURCES FOR POLITICAL ADVERTISING.

Q. May I enter into a contract to perform the title 15 functions of another entity?

A. No. An elections services contract may not change the authority with whom title 15 documents are filed.

Q. If a candidate forms a specific-purpose committee, must the candidate continue to file reports on FORM C/OH?

A. Yes. The candidate and the committee are subject to separate reporting requirements.

ENDNOTES

-
1. See also Part III: Officeholders (Certain officeholders who do not have campaign treasurer appointment on file are excepted from filing semiannual reports).
 2. An opposed candidate in a runoff election is only required to file a pre-election report 8 days before a *runoff* election; there is no "30-day" pre-election report due before a runoff.
 3. A write-in candidate must file a campaign treasurer appointment before accepting campaign contributions or making campaign expenditures. Furthermore, a person who declares himself or herself to be a write-in candidate *is* required to file pre-election reports as long as the write-in candidate has an opponent whose name appears on the ballot.

4. A person terminates a campaign treasurer appointment by filing a final report on FORM C/OH with FORM C/OH-FR attached.
5. Once an officeholder files a campaign treasurer appointment, he or she may use contributions received as an officeholder to make campaign expenditures.
6. A specific-purpose political committee that supports candidates, officeholders, or measures at the political subdivision level may file with the Ethics Commission if it also supports candidates, officeholders, or measures in a jurisdiction other than the political subdivision. For example, a specific-purpose committee that supports a particular candidate for county commissioner and a particular candidate for the city council of a city within the county has two choices of where to file campaign finance reports: (1) The committee may file both with the county election official and with the appropriate city filing authority, or (2) the committee may file with the Ethics Commission only.
7. A political committee is only required to file a report 8 days before a *runoff* election; there is no “30-day” pre-election report required before a runoff.

May 1, 2021 Election Law Calendar

The uniform election date in May of an odd-numbered year is a date in which many local political subdivisions, such as cities, school districts, and water districts have their regular general elections for members of their governing bodies or special elections to fill vacancies. Therefore, this calendar is required to meet the needs of many diverse governmental bodies. If there are questions about the applicability of something in this calendar to your specific election, do not hesitate to call the Elections Division of the Office of the Texas Secretary of State at 1-800-252-VOTE(8683).

1. Note on Campaign Information

Under Title 15 of the Texas Election Code, candidates running for an office must file campaign contribution and expenditure reports. For further information and all questions about such disclosure filings, campaign finance, and political advertising, please contact the [Texas Ethics Commission](#) at 201 E. 14th Street, 10th Floor, Austin, Texas 78701; call 512-463-5800.

2. Note on Statutory References

Unless otherwise indicated, all references are to the Texas Election Code. The county election officer is the county clerk, the county elections administrator, or the county tax assessor-collector, depending on the actions of the county commissioners court. (Secs. 31.031, 31.071 and 31.091). The county voter registrar is the county clerk, the county elections administrator, or the county tax assessor collector, depending on the actions of the county commissioners court. (Secs. 12.001, 12.031, 31.031 and 31.071).

3. [Notice of Web Posting](#)

Please see our Web Posting Advisory, [Election Advisory No. 2019-19](#) for more details on web posting requirements; however, the requirements are summarized below.

As of January 1, 2020, each county *shall maintain* a website. (Sec. 26.16(a), as amended by S.B. 2, 86th Regular Session, 2019).

Advisory 2020-37

All political subdivisions with the authority to tax that maintain a website any time after January 1, 2019, must post the following items on the entity's internet website:

1. The political subdivision's contact information, including a mailing address, telephone number, and e-mail address;
2. Each elected officer of the political subdivision;
3. The date and location of the next election for officers of the political subdivision;
4. The requirements and deadline for filing for candidacy of each elected office of the political subdivision which shall be continuously posted or at least one year before the election day for the office;
5. Each notice of a meeting of the political subdivision's governing body under Subchapter C, Chapter 551 of the Government Code; and
6. Each record of a meeting of the political subdivision's governing body under Section 551.021 of the Government Code. (H.B. 305, 86th Regular Session, 2019)

*NOTE: If you postponed an election from May 2, 2020 to November 3, 2020 pursuant to the gubernatorial proclamation of March 18, 2020, this does not permanently reset your schedule. Example: An office normally elected for a full one-year term from May 2020 to May 2021 will still be on the ballot in May 2021. The election schedule posted on your web notice should reflect this. See Advisory No. 2020-12 - Actions for May 2, 2020 Uniform Election Date.

Our office recommends consulting with your political subdivision's local counsel regarding the particular posting requirements under Subdivisions (5) and (6) referenced above. Please note, the requirements for posting notice of meetings and record of meetings of the political subdivision's governing body do not apply to:

1. A county with a population of less than 10,000;
2. A municipality with a population of less than 5,000 located in a county with a population of less than 25,000; or
3. A school district with a population of less than 5,000 in the district's boundaries and located in a county with a population of less than 25,000.

During the 21 days before the election, on the political subdivision's Internet website, prominently and together with the notice of the election, a copy of the sample ballot, and the contents of the proposition, if the political subdivision maintains an Internet website (NEW LAW HB 440, 2019). See Note 9 for more information on notice requirements.

4. Note on May Uniform Date

With few exceptions, counties are not authorized to hold an election ordered by county authority on the May uniform election date in an **even-numbered year**. A county elections administrator may refuse to provide election services by contract for an election that is held on the May uniform election date in an **even-numbered year**. (Sec. 41.001(d)). Thus, for **May 1, 2021** (odd-numbered year) we return to the general rules: counties are authorized to hold an election ordered by county authority in May 2021; and a county elections administrator may not refuse to provide election services by contract in May 2021.

5. Note on Required Use of County Polling Places

Political subdivisions are no longer required to use county election precincts and polling places for elections held on the May uniform date. The governing body of a political subdivision other than a county shall establish the election precincts for elections ordered by an authority of the political subdivision and follow the requirements of Secs. 42.061 and 42.0615.

NOTE: [HB 1888 \(86th Legislature, 2019\)](#) repealed Section 42.002(c) of the Code and amended Section 42.0621 of the Code. Section 42.002(c) previously required local political subdivisions holding an election on the May uniform election date to use county election precincts and county polling places on election day unless the entity only had a main early voting polling place open during the early voting period or the entity did not conduct early voting by

personal appearance at 75 percent or more of its temporary branch polling places on the same days and during the same hours as voting was conducted at the main early voting polling place.

6. Note on Notice of Candidate Filing Periods

The authority with whom an application for a place on the ballot is filed must post a [Notice of Deadline to File Applications for Place on the Ballot \(PDF\)](#), listing the filing period dates in a building in which the authority maintains an office. The notice must be posted not later than the 30th day **before** the first day to file. (Sec. 141.040). If you order a special election to fill a vacancy, the order must include the filing deadline; we recommend posting the notice of the filing period as soon as practicable after a special election is ordered. Note that an application for a place on the ballot for a special election may not be filed before the election is ordered.

7. Note on Joint Election Requirement for School Districts

School districts conducting trustee elections must have joint polling places on election day with either:

1. a city holding an election on the uniform election day (located wholly or partly within the school district's boundaries);
2. a public junior college district if it is having an election for members of its governing board in which the school district is wholly or partly located;
3. in limited circumstances, a hospital district; or
4. the county on the November uniform election day in even-numbered years.

For purposes of this calendar, we will continue to use separate subheads for cities and school districts when their rules are different. However, many entities will be working out joint election agreements. (Sec. 11.0581, Texas Education Code; Sec. 271.002).

8. Note on Joint Elections Generally

Many entities will have joint elections for the May 1, 2021 election. Note that the entries in this calendar are generally written in terms of elections held individually rather than jointly. For example, cities are advised about conducting two 12-hour days for early voting. However, we have long advised different entities who conduct early voting together to coordinate their early voting hours, which may result in entities other than cities also holding early voting on two 12-hour days. On the other hand, depending on the plan, different entities may choose not to hold early voting together and do things separately. Not all joint election plans are alike. With a few exceptions, we do not discuss the impact of coordinating rules for a joint election, as we think this would make the calendar longer and confusing. We encourage joint election partners to read through the entire calendar, taking note of the rules affecting the partner entities, and to address the differences within the agreement itself. If you have questions about how different rules apply to a particular joint election plan, please contact our office by phone or email.

9. Note on Notice of Elections

Political subdivisions other than cities and school districts may have specific statutory notice requirements. In the absence of specific statutory requirements, such political subdivisions must post a notice on or before the 21st day before the election. (Sec. 4.003(b)). For the Saturday, May 1, 2021 election, this notice must be posted on or before Saturday, April 10, 2021. (Sec. 1.006, 4.003(b)). The general rule is that, additionally, notice must be given using one of the following methods:

- A. By posting a notice in each election precinct in which the election is to be held on or before the 21st day before the election, Saturday, April 10, 2021. (Sec. 4.003(a)(2)).
- B. By publishing the notice at least once between the 30th day and the 10th day before the election, Thursday, April 1, 2021– Wednesday, April 21, 2021. (Sec. 4.003(a)(1)).
- C. By mailing a copy of the notice to each registered voter of the territory covered by the election, not later than the 10th day before election day, Wednesday, April 21, 2021. (Sec. 4.003(a)(3)).

This notice must include:

1. The type and date of the election;
2. The location of each polling place, **including the street address, room number, and building name**;
3. The hours the polls will be open;
4. The location of the main early voting polling place, **including the street address, room number, and building name**;
5. The regular dates and hours for early voting by personal appearance;
6. The dates and hours of any Saturday or Sunday early voting, if any; and
7. The early voting clerk's mailing address.
8. We **recommend** that the information regarding branch early voting locations be included as part of your notice.

NOTE – NEW LAW: HB 1241 (2019) now requires that ANY notice of polling locations must include more detailed information regarding the polling locations including: the polling location's street address, any applicable suite or room number, and any applicable building name.(Sec. 1.021)

The following forms may be used:

[-Notice of General Election for Cities \(PDF\)](#)

[-Notice of General Election for Other Political Subdivisions \(Including Schools\) \(PDF\)](#)

Notice of Nearest Polling Places in Countywide Election: NEW LAW – HB 3965 (2019) now requires that EACH countywide polling place must post a notice, at that location, of the four nearest locations, by driving distance.

Notice for Bond Elections: Entities holding bond elections must provide additional notice per Section 4.003(f). A debt obligation order under Section 3.009 must be posted:

1. On election day and during early voting by personal appearance, in a prominent location at each polling place.
2. Not later than the 21st day before the election, in three public places in the boundaries of the political subdivision holding the election.
3. During the 21 days before the election, on the political subdivision's Internet website, prominently and together with the notice of the election, a copy of the sample ballot, and the contents of the proposition, if the political subdivision maintains an Internet website (NEW LAW HB 440, 2019).

NEW LAW: The same requirements apply to the voter information document required by Government Code Section 1251.052(b)(see law for full contents of notice). House Bill 477 (2019). The new requirement applies to a political subdivision with at least 250 registered voters on the date the governing body of the political subdivision adopts the debt obligation election order.

All Political Subdivisions: The election notice shall be posted on the political subdivision's website, if the political subdivision maintains a website. For political subdivisions other than counties or cities, the original order and notice should include all days and hours for early voting by personal appearance, including voting on **ANY** Saturday or Sunday. (Secs. 85.006; 85.007). **Note for cities and counties**, the election notice must be subsequently amended to include voting ordered for **ANY** Saturday or Sunday and must be posted on the political subdivision's website, if maintained.

Cities and School Districts: Cities and school districts are required to publish their notice in a newspaper in accordance with Section 4.003(a)(1) (See 2 above) and may also give any additional notice. (Sec. 4.003(c)). Counties, school districts, and cities must also publish notice on the governmental bulletin board used for posting notice of public meetings, no later than April 12, 2021. (Sec. 4.003(b)).

Home-Rule Charter Cities: Home-rule cities MUST also give notice as provided in their charters.

All Political Subdivisions, Except Counties: The governing body of a political subdivision must deliver notice of the election to the county election officer and voter registrar of each county in which the political subdivision is located not later than the 60th day before election day, Tuesday, March 2, 2021. (Sec. 4.008).

NOTE FOR COUNTY - NEW LAW: Section 4.003 as amended by House Bill 933 (2019) requires that counties post on the county website the notice and list of polling locations of any political subdivision that delivers their notice to the county under 4.008. This is **regardless** of whether the county is contracting with the entity.

10. Note on Extended Early Voting Hours and Branch Locations

Note for Cities: Cities must choose **two weekdays** for the main early voting polling place to be open for **12 hours** during the regular early voting period, if the early voting period consists of more than six weekdays (Sec. 85.005(d)). The city secretary **may** also order early voting on a Saturday or Sunday, and determine the hours for such Saturday or Sunday early voting. This must be done by written order. (Sec. 85.006(b), (c)). [Notice of Saturday or Sunday early voting](#) must be posted for at least 72 hours immediately preceding the first hour that voting will be conducted. (Sec. 85.007(c)). The notice shall be posted on the bulletin board used for posting notice of meetings of the city's governing body if the early voting clerk is the city secretary, as well as on the political subdivision's website, if maintained. (Secs. 85.007(c), (d)). The city secretary **must** have early voting on Saturday or Sunday, *if a [written request \(PDF\)](#)* is received from at least 15 registered voters of the city in time to comply with the posting requirement. (Secs. 85.006(d); 85.007). The written request for Saturday and Sunday hours **must** be received in time for the early voting clerk to comply with the 72-hour notice posting requirement before the start of early voting. (Secs. 85.006(d); 85.007(c)).

All Political Subdivisions, Except Counties & Cities: Voting on **ANY** Saturday or Sunday must be included in the order and notice of election. The order and notice must include the dates and hours of Saturday or Sunday voting. (Secs. 85.006, 85.007). The political subdivision **must** have early voting on Saturday or Sunday, *if a [written request](#)* is received from at least 15 registered voters of the political subdivision in time to comply with the posting requirement. (Sec. 85.006(d)). The election notice must be posted on the political subdivision's website, if the political subdivision maintains a website. (Sec. 85.007).

11. Note on Temporary Branch Locations

NEW LAW - HB 1888 (2019) amended Chapter 85 of the Election Code to modify the requirements for temporary branch polling places.

Early voting at any temporary branch polling location **MUST** be conducted on the same weekdays as the main early voting location and **MUST** remain open for eight hours each day it is open. (Sec 85.005 and 85.064).

NOTE for Political subdivision other than city or county - For political subdivisions with fewer than 1,000 registered voters who did not agree to have the city or county to act as their early voting clerk, the temporary branch locations must be open for at least three hours each day. (Sec 85.005 and 85.064).

For most political subdivisions, this will require your temporary branch locations to be open on every weekday of the early voting period, for at least eight hours on each of those days.

12. Note on Notice of Previous Polling Place

If a different polling place is being used from the previous election held by the same authority, a [Notice of Previous Precinct \(PDF\)](#) must be posted at the entrance of the previous polling place informing voters of the current polling place location, if possible. (Sec. 43.062).

13. Note on Testing Tabulating and Electronic Voting Equipment

Ballot Testing:

Once all candidate filing deadlines have passed, we recommend that you proof and test your ballot programming as soon as possible. Early testing will allow adequate time to locate any errors and make any necessary corrections in ballot programming. We also strongly suggest that you have candidates proof their names and offices before finalizing the ballot to avoid the necessity for last minute ballot corrections.

Logic and Accuracy Test:

We recommend establishing a date to perform the test of your electronic voting equipment (L&A, or Logic and Accuracy Test) as soon as possible. We recommend that this test be performed on a date that allows time to correct programming and retest, if necessary. A [notice](#) of this test must be published by the custodian of the electronic voting equipment at least 48 hours before the date of the test. (Sec. 129.023; [Tex. Sec'y of State Election Advisory No. 2019-23](#)). The L&A test must be conducted not later than 48 hours before voting begins on a voting system. (Sec. 129.023).

Testing Tabulating Equipment:

The automatic tabulating equipment used for counting ballots at a central counting station must be tested three times for each election. (Ch. 127, Subch. D). We recommend you test the equipment as soon as possible; early testing will allow adequate time to locate any errors and make any necessary corrections in programming. However, the first test **must be conducted at least 48 hours before** the automatic tabulating equipment is used to count ballots voted in the election. The second test shall be conducted immediately before the counting of ballots with the equipment begins. The third test must be conducted immediately after the counting of ballots with the equipment is completed. Please note that the custodian of the automatic tabulating equipment must publish [notice](#) of the date, hour, and place of the first test in a newspaper at least 48 hours before the date of the test. (Sec. 127.096). The electronic files created from the L&A testing are what must be used for testing the tabulating equipment. ([Tex. Sec'y of State Election Advisory No. 2019-23](#)).

Precinct tabulators must also be tested in accordance with the procedures set forth in Chapter 127, Subchapter D of the Texas Election Code to the extent those procedures can be made applicable. (Sec. 127.152; ([Tex. Sec'y of State Election Advisory No. 2019-23](#))).

Our recommendation is that both L&A testing and testing of the automatic tabulating equipment take place prior to ballots by mail being sent out. However, should there be a reason to delay testing, please be advised that L&A testing must be conducted at least 48 hours before voting begins on a voting system. This means that L&A testing should be completed before early voting and possibly, before election day, if your election day system is different than your early voting system. Additionally, the automatic tabulating equipment may not be used to count ballots voted in the election until a test is successful. (See Chapters 127 and 129, Election Code.)

14. Note on Accepting Voters with Certain Disabilities

All Political Subdivisions: Accepting voters with certain disabilities:

An election officer may accept a person with a mobility problem that substantially impairs a person's ability to ambulate who is offering to vote before accepting others offering to vote at the polling place who arrived **before** the person. "Mobility problem that substantially impairs a person's ability to ambulate" has the meaning assigned by Section 681.001, Transportation Code. A person assisting an individual with a mobility problem may also, at the individual's request, be given voting order priority. [Notice of the priority](#) given to persons with a mobility problem that substantially impairs a person's ability to ambulate **shall** be posted:

1. at one or more locations in each polling place where it can be read by persons waiting to vote;
2. on the website of the Secretary of State; **and**
3. on each website relating to elections maintained by a county.

The **recommended** time to include this notice on a county website is when the Notice of Election is also posted on the website. Sec 85.007(d). See Note regarding Notice of Elections.

Cities, Schools, and Other Political Subdivisions: It is **strongly recommended** that the notice regarding accepting voters with certain disabilities also be posted on the subdivision's website, if one is maintained by the political subdivision.

15. Note on law regarding faxed or emailed ABBMs and faxed FPCAs

If an ABBM is faxed or emailed or if an FPCA is faxed, then the applicant **must** submit the ORIGINAL application BY MAIL to the early voting clerk so that the early voting clerk **receives the original no later than the 4th business day after receiving the emailed or faxed ABBM or faxed FPCA**. If the early voting clerk does not receive the original ABBM or FPCA by that deadline, then the emailed or faxed ABBM or faxed FPCA will be considered incomplete, and the early voting clerk may NOT send the applicant a ballot. The early voting clerk should retain a copy of the FPCA for their own records, but should send the FPCA submitted by the voter to the Voter Registrar for registration purposes.

If a voter faxes or emails the ABBM or faxes the FPCA, the date the early voting clerk receives the FAX or EMAIL is considered the date of submission. Essentially, the faxed or emailed form serves as a place-holder for the voter. Therefore, a voter whose application was faxed or emailed by the 11th day before election day (the deadline), and whose original application is received on or before the 4th business day after that date, would still be entitled to receive a ballot for the election (if otherwise eligible). The early voting clerk will have to hold the faxed or emailed ABBM or faxed FPCA until the clerk receives the original, and would only send the voter a ballot if the original is received by the 4th business day after the faxed or emailed ABBM or faxed FPCA was received. See [Tex. Sec'y of State Election Advisory No. 2018-02](#).

The requirement to mail the original application does not apply to an **emailed** FPCA, but does apply to a faxed FPCA.

A home-rule city's charter may **NOT** provide an alternate candidate filing deadline. (Secs. 143.005(a), 143.007).

City Offices with Four-Year Terms: If no candidate has filed for a city office with a four-year term, the filing deadline is extended to 5:00 p.m. on Friday, March 5, 2021. (Sec. 143.008).

An application submitted by mail is considered to be filed at the time of its receipt by the appropriate filing authority. (Secs. 143.007(b), 144.005(b)).

Deadline for political subdivisions to order a general election to be held on Saturday, May 1, 2021, unless otherwise provided by the Election Code. (Sec. 3.005). One of the following forms may be used:

[Order of Election for Municipalities](#)

[Order of Election for Other Political Subdivisions \(Including Schools\)](#)

The order must include:

1. The date of the election;
2. The offices or measures to be voted on;
3. The location of the main early voting polling place;
4. The dates and hours for early voting (recommended for counties and cities, but required for all other entities). (Cities must include the two designated weekdays for which early voting will be held for 12 hours);
5. The dates and hours of any Saturday and Sunday early voting (if applicable, it is recommended that this information be included in the order for counties and cities, but it must be included for all other entities);
6. The early voting clerk's official mailing address;
7. **Recommended:** Branch early voting polling places (see Note 11, above)

In addition to the information included above, an order for a debt obligation (bond) election **must** include (Sec. 3.009):

1. the proposition language that will appear on the ballot;
2. the purpose for which the debt obligations are to be authorized;
3. the principal amount of the debt obligations to be authorized;
4. that taxes sufficient to pay the annual principal of and interest on the debt obligations may be imposed;
5. a statement of the estimated tax rate if the debt obligations are authorized or of the maximum interest rate of the debt obligations or any series of the debt obligations, based on the market conditions at the time of the election order;
6. the maximum maturity date of the debt obligations to be authorized or that the debt obligations may be issued to mature over a specified number of years not to exceed 40;
7. the aggregate amount of the outstanding principal of the political subdivision's debt obligations as of the beginning of the political subdivision's fiscal year in which the election is ordered;
8. the aggregate amount of the outstanding interest on debt obligations of the political subdivision as of the beginning of the political subdivision's fiscal year in which the election is ordered; and
9. the ad valorem debt service tax rate for the political subdivision at the time the election is ordered, expressed as an amount per \$100 valuation of taxable property.

Recommended date to order the lists of registered voters from the county voter registrar. The list should include both the voters' residences and mailing addresses in order to conduct early voting by mail. (Sec. 18.006). The political subdivision should confirm that the most recent maps or boundary changes have been provided to the voter registrar.

Recommended date to confirm telephone number for the county voter registrar's office on election day.

Recommended date to order election supplies, other than ballots. (Subchapter A, Chapter 51).

Recommended date to appoint **presiding and alternate judges**. Currently, the Election Code does not establish a deadline for appointing election officials; there is only a notification deadline. For further information concerning procedures for appointing judges and their alternates, see Sections 32.005, 32.008, and 32.011. General eligibility requirements are found in Subchapter C, Chapter 32. In addition to appointing a judge and alternate judge for each election precinct pursuant to Sections 32.001 and 32.005, the governing body must allow the judge to appoint no less than two clerks; however, the alternate judge must serve as one of the clerks as a matter of law. (Secs. 32.032, 32.033). The presiding judge then appoints an additional clerk(s), but not more than the maximum set by the governing body. (Sec. 32.033). Presiding judges and their alternates must be given a [Notice of Appointment](#) not later than the 20th day after the appointment is made. (Sec. 32.009). If the appointment is for a single election, the notice may be combined with the [Writ of Election](#), which is required to be delivered to each presiding judge not later than the 15th day before the election, Friday, April 16, 2021. (Sec. 4.007, 32.009(e)). If the notices are combined, both must be delivered by the date required by the earlier notice.

Water Districts: A water district is not required to provide a Notice of Appointment to a presiding judge, as required under Section 32.009, but must provide a [Writ of Election](#). (Sec. 4.007; Sec. 49.110, Water Code)

Recommended date to appoint the **central counting station personnel** (manager, tabulation supervisor and assistants to the tabulation supervisor) if applicable. (Secs. 127.002, 127.003, 127.004, and 127.005). There is no statutory notice requirement for members of the central counting station, but good practice suggests that written notice be given to them.

Recommended date to appoint the **presiding judge of the early voting ballot board** or to designate the election workers of one election precinct to serve as the early voting ballot board. (Secs. 87.001, 87.002, and 87.004). There is no statutory notice requirement for members of the early voting ballot board, but good practice suggests that written notice be given to them.

Tuesday, February 16, 2021 (74th day before election day)

5:00 p.m. - Deadline for write-in candidates to file [Declarations of Write-In Candidacy \(PDF\)](#) for regular officers for city, school district, library district, junior college district, hospital district, common school districts, Chapter 36 and 49 Water Code districts, and other political subdivision elections, unless otherwise provided by law. (Secs. 144.006(b), 146.054(b), 146.055, Election Code; Secs. 11.056, 11.304, 130.0825, Education Code; Secs. 326.0431, Local Government Code; Sec. 285.131, Health and Safety Code; and Secs. 36.059, 49.101, 63.0945, Water Code). [See Candidacy Filing outline for more details.](#)

NOTE: An application submitted by mail is considered to be filed at the time of its receipt by the appropriate filing authority. (Secs. 143.007(b), 144.005(b)).

Wednesday, February 17, 2021 (73rd day before election day)

NOTE – NEW LAW: Section 145.098, as amended by House Bill 1067 (2019), states if a candidate dies on or before the deadline for filing an application for a place on the ballot, the authority responsible for preparing the ballots MAY choose to omit the candidate. If the authority does choose to omit the candidate, the deadline for filing an application for a place on the ballot, is extended to the fifth day after the filing deadline, February 17th. This extended deadline only applies to the regular filing deadline. It does NOT apply to the write-in deadline.

Thursday, February 18, 2021 (72nd day before election day)

First day to post [Notice of Drawing for Place on Ballot](#) if drawing is to be conducted on Monday, February 22, 2021. This notice must be posted for 72 hours immediately preceding the time of the drawing. (Sec. 52.094(c)).

For an election held by a political subdivision, other than a city, a notice of ballot position drawing must be **mailed** to candidates by this day (not later than the 4th day before the drawing) if drawing is to be conducted on Monday, February 22, 2021. (Sec. 52.094(d)). Candidates who have not filed by this date should be given a copy of the notice at the time of filing.

For an election held at county or city expense, if a candidate gives the filing authority a written request, accompanied by a stamped, self-addressed envelope, the filing authority must mail the candidate a notice of ballot position drawing. (Sec. 52.094(d)).

Friday, February 19, 2021 (71st day before election day)

5:00 p.m. – Last day for a candidate to withdraw, by submission of a notarized [Certificate of Withdrawal](#) or a notarized letter. **If a candidate withdraws or is declared ineligible by this date, his or her name is omitted from the ballot.** (Secs. 145.092(f), 145.094(a)(4); 145.096(a)(4)). For special circumstances regarding withdrawal of a candidate before ballots are prepared, please contact the Elections Division of the Office of the Texas Secretary of State.

5:00 p.m. – Last day to **withdraw** as a **write-in** candidate in the general election ordered by a political subdivision other than a county. (Secs. 144.006(c), 146.0301; 146.054(c)). (Candidates may use the [Certificate of Withdrawal \(PDF\)](#)).

Recommended first day that an election may be cancelled if all filing deadlines have passed, each candidate for an office listed on the ballot is unopposed (except as discussed below), and write-in votes may be counted only for names appearing on a list of write-in candidates. (Sec. 2.052). The [Certification of Unopposed Candidates for Other Political Subdivisions](#) may be used to certify candidates as unopposed. Also, see our [Sample Order of Cancellation](#).

A special election of a political subdivision is considered to be a separate election with a separate ballot from a general election for officers of the same political subdivision held at the same time as the special election. Therefore, the fact that there may be a proposition on the ballot will not prevent a cancellation of an election for candidates who are unopposed. (Sec. 2.051(a)). If any members of the political subdivision's governing body are elected from territorial units such as single member districts, an election may be cancelled in a particular territorial unit if each candidate for an office that is to appear on the ballot in that territorial unit is unopposed **and no opposed at-large race is to appear on the ballot**. An unopposed at-large race may be cancelled in an election regardless of whether an opposed race is to appear on the ballot in a particular territorial unit. (Sec. 2.051(b)). **This recommended cancellation deadline presumes a filing deadline of Friday, February 12, 2021 and a write-in deadline of Tuesday, February 16, 2021. For additional information, consult the outline on [Cancellation of Election for Local Political Subdivisions](#).**

NOTE: Political Subdivision Holding a Special Election to Fill a Vacancy: If you are having a special election to fill a vacancy for an unexpired (partial) term, you must not cancel the special election until after all deadlines to file for a special vacancy election have passed. (Reminder: The cancellation procedures allow general and special elections to be considered separate elections for cancellation purposes. If the elections are separated, note there are procedures related to listing unopposed candidates in the same relative order on the ballot. See Sec. 2.053, Election Code and the Secretary of State's Advisory - [Cancellation of Election for Local Political Subdivisions \(Not County\)](#).)

Saturday, February 20, 2021 (70th day before election day)

Last day to order a special election to fill a vacancy (if authorized to fill vacancies by special election) and have the filing deadline be the 62nd day before election day. (Secs. 201.054(a)(1), 201.052). Please note that the Election Code requires the election to be ordered as soon as practicable after the vacancy occurs. (Sec. 201.051). The following form may be used: [Order of Special Election for Municipalities](#).

NOTE: Section 201.054 provides that if the special election to fill a vacancy is ordered (1) on or before the 70th day before election day, the candidate application must be filed by 5:00 p.m. on the 62nd day before election day, OR (2) after the 70th day but on or before the 46th day before election day, the candidate application must be filed by 5:00 p.m. on the 40th day before election day. This is the first of the two possible ordering times. We do **not** interpret the 70th day order date here as "moving" to the next business day because the date falls on a Saturday, as this is not the last day to order a special election to fill a vacancy for this uniform election date.

Monday, February 22, 2021 (68th day before election day)

Recommended date to conduct ballot position drawing. (Sec. 52.094).

Recommended date for county clerk/county elections administrator to deliver an initial list of voters who have submitted annual applications for ballot by mail under Section 86.0015 and scans or photocopies of those applications to the early voting clerk of any political subdivision located within the county that is holding an election on May 1, 2021. If the entity does not maintain a website, the information must be on the bulletin board used for posting notices. (H.B. 1850, S.B. 902, 86th Legislature, 2019; Sec. 87.121)

The early voting clerk should make a copy (for mailing ballots, keeping records, etc.), then should forward the original to the county voter registrar, as soon as practicable. (Sec. 101.055; 1 Tex. (Sec. 4.003(a)(1)). The notice of election ordered by an authority of a city or school district must be given by publication in a newspaper in addition to any other method specified. (Secs. 4.003(c) and (d)). This notice may be combined with the other notices you are required to publish.

Note that the office hour requirement of Sec. 31.122 does apply to Good Friday.

Tuesday, April 6, 2021 (25th day before election day)

Last day for the governing body of political subdivision to appoint a signature verification committee (if one was ordered by the early voting clerk on Thursday, April 1, 2021). See also [entry](#) under Thursday, April 1, 2021. (Secs. 51.002, 87.027). The appointing authority must post a notice of the appointment of committee members continuously until the last day the signature verification committee meets. This form may be used for the notice: [Notice of Appointment of Signature Verification Committee](#).

Saturday, April 10, 2021 (21st day before election day)

Last day to post notice of election on bulletin board used for posting notices of meetings of governing body. (Sec. 4.003(b)). A [Record of Posting Notice of Election](#) should be completed at the time of posting. (Secs. 1.006; 4.005).

Last day to post notice of election in each election precinct, if the method of giving notice is **not** specified by a law outside the Election Code and notice is given by this method in lieu of publication. (Secs. 1.006; 4.003(a)(2)). Cities and school districts **must** publish their notice in the newspaper. A [Record of Posting Notice of Election](#) should be completed at the time of posting. (Secs. 1.006; 4.005).

All Political Subdivisions: The election notice shall be posted on the political subdivision's website, if the political subdivision maintains a website. Deadline for a person who is not permanently registered to vote to submit a postmarked FPCA, in order to receive a ballot for any non-federal election held on May 1, 2021. A person submitting who is **not** permanently registered to vote and submits a postmarked FPCA after this date and before election day is not entitled to receive a ballot for any non-federal election. See Friday, April 16, 2021 [entry](#) for timeliness of an FPCA received without a postmark. (Secs. 1.006; 101.052(e)).

NOTE: Be sure to check the list of registered voters for permanent registration status. Also, state law authorizes an FPCA to also serve as an application for **permanent registration**; therefore, the person might be permanently-registered based on a prior-FPCA. Even if the FPCA arrives too late for a particular election, the early voting clerk will still need to forward the original FPCA to the county voter registrar, after making a copy for your early voting clerk's use (mailing ballots, etc.) and records unless the voter marked **"my return is not certain" (2013 form), or "my return is uncertain" (2017 form)** in which case, it will not serve as a permanent registration.. (Sec. 101.055; 1 Tex. Admin. Code Sec. 81.40).

NOTE: Overseas (non-military) voters marking the FPCA "do not intend to return" (2011 form) or "my return is not certain" (2017 form) receive a federal ballot **only** regardless of the date filed. (Chapter 114). In a local election (where there is no federal office on the ballot), this means there is **no ballot to send the voter**.

Tuesday, April 13, 2021 (18th day before election day)

If a **defective application to vote early by mail** is received on or before this date, the early voting clerk must mail the applicant a new application with explanation of defects and instructions for submitting the new application. For defective applications received after this date and before the end of early voting by personal appearance, the early voting clerk must mail only the [Notice of Rejected Application for Ballot by Mail](#) and a statement that the voter is not entitled to vote early by mail unless he or she submits a sufficient application by the deadline, which is Tuesday, April 20, 2021. (Secs. 84.007(c); 86.008).

Wednesday, April 14, 2021 (17th day before election day)

Last day to post continuous notice of early voting schedule for branch early voting polling places. (Sec.85.067).

Friday, April 16, 2021 (15th day before election day)

Deadline to receive an FPCA **without** a postmark. If an FPCA is received by this date **without** a postmark to prove mailing date, the early voting clerk will accept the FPCA and mail the applicant a full ballot even if the applicant is **not** a permanently registered voter but meets the requirements under Title 2 of the Election Code (*unless the voter marks the FPCA form indicating the "my intent to return is uncertain" (2019 form), or "my return is uncertain" (2017 form), in which case the voter receives a federal-only ballot*). (Sec. 101.052(i)). See [Note](#) under entry for Monday, April 12, 2021.

Last day to conduct public L&A test of a voting system. We highly *recommend* that this test is done on an earlier date to allow time for corrections to programming, if necessary. (See [Note 13](#), above). Per Section 129.023, the L&A test shall be conducted not later than 48 hours before voting begins on such voting systems, assuming that the voting system will first be used for early voting in person.

Last day to notify election judges of duty to hold election ([Writ of Election](#)). Notice must be given by the 15th day before the election or the 7th day after the day the election is ordered, whichever is later. The Writ of Election must be given to each presiding judge and include:

1. The judge's duty to hold the election;
 2. The type and date of election;
 3. The polling place location at which the judge will serve;
 4. The polling place hours; and
 5. The maximum number of clerks the judge may appoint.
- (Sec. 4.007).

Last day for a voter to hand-deliver their application for a ballot by mail (Sec. 84.008)

Monday, April 19, 2021 (12th day before election day; day before the last day to apply for a ballot by mail)

First day to vote early in person. (Sec. 85.001(e))

Political Subdivisions Other than Cities and Counties: Early voting in person must be conducted at least eight (8) hours each weekday that is not a legal state holiday unless the political subdivision has fewer than 1,000 registered voters, in which case early voting in person must be conducted for at least three (3) hours per day. (Sec. 85.005(b)).

Cities and counties: Early voting in person must be conducted on the weekdays of the early voting period and during the hours that the county clerk's or city secretary's main business office is regularly open for business. (Sec. 85.005(a)). However, because cities and counties must have office hours for election-related business at least three (3) hours every business day for this type of election (see Friday, March 12, 2021 [entry](#)), we harmonize these requirements with the result that, if a city or county is not regularly open for business on one or more weekdays, on those "closed" days, a city or county must conduct early voting for at least three (3) hours a day at the main early voting location (except for a city's two 12-hour days, when it must be open for the full 12 hours).

Cities: Cities must choose **two weekdays** for the main early voting polling place location to be open for 12 hours during the regular early voting period. The city council must choose the two weekdays. (Sec. 85.005(d)).

Independent School Districts: Despite the change in state law that allows an ISD to be closed on school holidays during the mandatory office hours period, you are **required** to be open during the entire early voting period, except on legal state and national holidays.

Joint Elections: If conducting early voting by personal appearance jointly, we *recommend* a unified schedule covering all requirements; i.e., no entity's requirements should be neglected or subtracted as a result of a joint agreement.

NOTE - NEW LAW: Section 85.064 as amended by House Bill 1888 (2019) requires that early voting at temporary branch polling places must now be conducted on the **same weekdays** that early voting is required to be conducted at the main early voting polling place under 85.005 (i.e. each weekday of the early voting period that the main location will be open) and must remain open for either: (1) eight hours each day, or (2) three hours each day if the city or county clerk does not serve as the early voting clerk for the territory and the territory has fewer than 1,000 registered voters. **This means that even if your main early voting location is able to be open for fewer than eight hours, your branch locations must still be open for the eight or three hour minimum that applies to your election.** See [Advisory No. 2019-20](#) for more details.

First day a county with a population of 100,000 or more **that is holding a county-ordered election** on May 1, 2021, or entities that have are having joint elections with such a county may convene their early voting ballot board and begin processing and qualifying mail ballots; however, the mail ballots may not be counted until (i) the polls open on election day, or (ii) for a county with a population of 100,000 or more that is holding **a county-ordered election** on May 1, 2021, or entities that are having joint elections with such a county, the end of the period for early voting in person. (Sec. 87.0241). The early voting clerk shall continuously post notice for 24 hours preceding each delivery of voting materials that is to be made before the time for opening the polls on election. (Sec. 87.0222). This law only applies to May of an odd-numbered year. **NOTE: results may not be released until the polls close on election day.**

The county clerk/elections administrator must ensure that photocopies or scanned images of annual applications for ballot by mail have been delivered to the early voting clerk of every political subdivision holding an election before the ballots by mail are delivered to the early voting ballot board.

A voter who becomes sick or disabled on or after Monday, April 19, 2021 may vote a late ballot if the sickness or disability prevents the voter from appearing at the polling place without the likelihood of needing personal assistance or of injuring his or her health. (Sec. 102.001). See [Application for Emergency Early Voting Ballot Due to Sickness or Physical Disability \(PDF\)](#). An application may be submitted after the last day of the period for early voting by personal appearance and before 5:00 p.m. on Election Day. (Sec. 102.003).

Tuesday, April 20, 2021 (11th day before election day)

Last day to receive an [FPCA \(PDF\)](#) from a registered voter. If the voter is **not** registered in the county (and/or marked intent to return “not certain”), **the voter is still eligible for a ballot containing federal offices only**. In a local (non-federal) election, this means there is **no ballot** to send the voter. (Secs. 101.052(b), (f); 114.004(c)).

Last day for early voting clerk to receive applications for a ballot to be voted by mail. (Sec. 84.007(c)). All applications to vote by mail must be received by the early voting clerk before the close of regular business or 12 noon, **whichever is later**. Applications to vote by mail must be submitted by mail, common or contract carrier, fax (if a fax machine is available in the office of the early voting clerk), or by electronic submission of a scanned application with an original signature. The early voting clerk’s designated email address must be posted on the Secretary of State’s website.

If an ABBM is faxed or emailed or if an FPCA is faxed, then the applicant must submit the ORIGINAL application BY MAIL to the early voting clerk so that the early voting clerk **receives the original no later than the 4th business day after receiving the emailed or faxed ABBM or faxed FPCA**. If the early voting clerk does not receive the original ABBM or FPCA by that deadline, then the emailed or faxed ABBM or faxed FPCA will be considered incomplete, and the early voting clerk may NOT send the applicant a ballot. The requirement to mail the original application does not apply to an **emailed FPCA**. For additional information on this law, please see Note 15, above.

Last day for county clerk/elections administrator to deliver final list of voters that have submitted an annual application for ballot by mail to political subdivisions located within the county holding an election on May 1, 2021, for which the county clerk/elections administrator is not the early voting clerk via a joint election agreement or contract for election services Sec. 86.0015(c).

Wednesday, April 21, 2021 (10th day before election day)

Last day of period during which notice of election must be published if method of giving notice is **not** specified by a law outside the Election Code and **publication** is the selected method of giving notice. (Sec. 4.003(a)(1)). The notice of election ordered by an authority of a city or school district must be given by publication in a newspaper, in addition to any other method specified. (Secs. 4.003(c) and (d)).

NOTE: The election notice shall be posted on the political subdivision’s website, if the political subdivision maintains a website.

Last day to mail a copy of the notice of election to each registered voter of the territory that is covered by the election and is in the jurisdiction of the authority responsible for giving notice **if method of giving notice is not specified by a law outside the Election Code** and this method of giving notice is selected. (Secs. 1.006, 4.003(a)(3)).
